Ira Kerr Resigns As Director Of Recreation; Gets Position With Dickinson School Of Law

Ira R. Kerr, recreation director for past 16 months, Wednesday evening submitted his resignation to the Board of Directors of the Recreation Association to accept a public relations position at the Dickinson School of Law, Carlisle.

The board, called into special session at the Engine House, accepted the resignation "with regrets." Kerr will remain here until a suitable replacement is found.

An interview meeting with a Gettysburg resident, "interested in obtaining the position of recreation director," will be held in the Engine House Tuesday evening at 7:30 o'clock.

Kerr told the directors that he was resigning to accept a position as alumni secretary and public relations director at the Dickinson School of Law. He will edit the Dickinson Law News Letter and etstablish alumni clubs.

Scott Praises Kerr

E. Donald Scott, president of the association, praised Kerr for his "competence, faithfulness and diligent service. There is no question but that Gettysburg recreation has prospered under his direction."

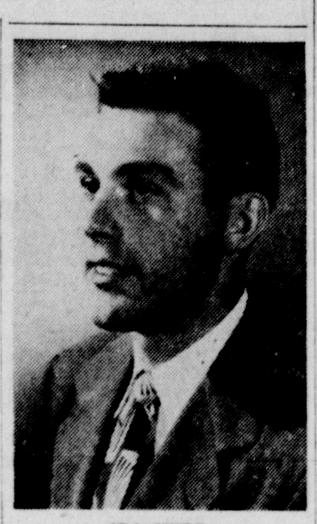

Following the one-half hour meeting, Kerr told The Gettysburg Times:

"I leave my job as recreation director in Gettysburg with sincere regrets. I feel that I have made many close associations here, but I could not pass up the opportunity for advancement which presented itself.

"I will continue to maintain an interest in the field of recreation," he added, "and if I can ever be of assistance to Gettysburg I will be most happy to do so."

Kerr and his wife will remain at their 322 Baltimore St. residence until late spring or early summer. Mrs. Kerr is girls' physical education instructor at New Oxford.

Kerr assumed the post of recreation director on a part-time basis in November, 1952. In January, 1953, he became full-time director. Prior to his assignment in Gettysburg he taught physical education at the Fairfield Joint High School.

32 TRAVELERS ARRIVE HOME FROM VA. TOUR

After three days in sunny Virginia, the Gettysburg "good will tour" arrived home at 1 a.m. today a few hours ahead of the snow that made the green lawns of Natural Bridge, Va., their point of departure Wednesday morning, an even more pleasant memory.

Guests of the people of Virginia on a tour of the Shenandoah Valley that left nothing to be desired from the time Parker Davis, representative of the Virginia Travel Council, took over Monday morning in the Hotel George Washington in Winchester until he said farewell to the local delegation at the same spot late Wednesday night, the Gettysburg folk spent a busy three days sight-seeing and enjoying Virginia hospitality.

See Lexington Sights

Wednesday's heavy schedule for the local delegation, who went as members of the Gettysburg Travel Council, started with an inspection of expanding facilities at Natural Bridge before a 9 a.m. departure via the Blue Ridge Parkway through the Jefferson National Forest to Afton and the fabulous marble castle, "Swannanoa" atop the mountain between the Shenandoah and the Rockfish Valleys.

The long morning trip was interrupted at Lexington for a tour through the campuses of Washington and Lee and the Virginia Military Institute with a brief pause at the Lee Chapel, burial place of the Confederate commander at Gettysburg. A few minutes earlier the visitors to the history-filled town had been shown the graves of General Stonewall Jackson and the burial places of General and Mrs. Pendleton in Lexington Cemetery. Gen. Pendleton, too was at Gettysburg.

Systematic Balance Interchange"

At Swannanoa the Gettysburg travelers had lunch in the massive castle of Italian and Georgia marble and heard Dr. Walter Russell and his English wife, Lao, discuss Dr. Russell's "Cosmagony." As Mrs. Russell explained, after the visitors had been taken on a tour of the museum of Dr. Russell's sculpture and painting, "God's message for the world was given to Dr. Russell 30 years ago." Dr. Russell was told, she said, that the most important word for the world is "balance" and from that they developed the "key

TELLS OF EARLY CABINET MAKING, 1685-1785 ERA

"The furniture made in early Philadelphia by colonial cabinet makers ranks with the best in the world," declared Mrs. Joe Kindig 3rd, York, in an address before the Woman's Club of Gettysburg Wednesday afternoon at the YWCA.

She described the three types of furniture which became popular during the 1685-1785 period, "William and Mary," "Queen Ann," and "Chippendale." Mrs. Donald White, chairman of the antiquities department, showed colored slides.

"Simplicity was the keynote in the early days of cabinet making," explained Mrs. Kindig. "In the beginning of the 18th century craftsmanship in Europe had become decadent. There was too much carving and design on the furniture. The colonists had no wish to copy ornate European styles, hence they worked out a pure American style of their own."

Lost Early Simplicity

Some of the styles shown on the slides included the Jacobean English chair, panel back walnut chair, the chair with a cane back and seat, leather upholstered settees, gatelegged tables, highboys with French brass handles, walnut desk with onion feet and the Queen Ann's chair with the heart-shaped back and claw feet, upholstered in Hungarian needlepoint.

"As time went on," said Mrs. Kindig, "old Philadelphia lost its earlier simplicity. The days of William Penn and the Society of Friends and the simple life were gone. People grew wealthy, the city expanded and rich merchants began to desire a more luxurious type of furniture. This was the beginning of the Chippendale period. Exquisite styles emerged, sponsored and encouraged by such great statesmen as Benjamin Franklin, founder of the University of Pennsylvania, and Daniel Rittenhouse, the scientist and clockmaker.

Speaks For Husband

"My husband and I have traveled in Europe and America to study various types of cabinet making and nowhere have we found the style of what is called 'Philadelphia furniture' surpassed in excellence, beauty and craftsmanship."

Mrs. Kindig spoke in the place of her husband, an authority on cabinet making who was absent because of illness. A native of Connecticut, she attended Smith College. She was introduced by Mrs. George H. Thrush Jr.

ROGER MYERS IS NAMED TO OFFICE

The appointment of Roger D. Myers, Fairfield fire chief, as a vice president of the State Firemen's Association is to fill the vacancy caused by the death of James B. Aumen, according to a letter to Mr. Myers from Lee F. Reary, president of the state organization.

In his letter, President Reary said: "You are considered a valuable asset to the state organization, as your activities in local fire circles are such that would indicate you are a leader of men and a go-getter."

Reary added: "Our greatest consideration for the coming year is to promote and explain to all companies and individuals that they should become a member of the Firemen's Association of the State of Pennsylvania because in numbers there is strength. Your state organization is working hard for benefits concerning all firemen."

Myers, besides his activities with the Fairfield company, is also secretary of the Adams County Firemen's Association, a leader in the county Fire Chiefs' Association, and deputy Civil Defense director for the county.

J. F. SLAYBAUGH QUITS; DR. BREAM IN CONTEST FOR COUNTY SUPT.

Resignation of J. Floyd Slaybaugh as superintendent of the Adams County Schools and the candidacy of Dr. Robert A. Bream, former assistant county superintendent here, for the post have been announced by J. Faber Wildasin, Abbottstown, secretary of the county board.

Dr. Bream's candidacy makes him the fourth to seek the office and Wildasin said today that two other persons have made inquiry concerning the requirements of the post. He added that he will continue to receive applications up to midnight Sunday at his home in Abbottstown.

Salary of the new superintendent will be at least $8,000 per year, Wildasin said, as the result of a 1951 law increasing the salaries for county superintendents in counties up to 45,000 population. Slaybaugh receives $7,250.

10 ADAMS GIRLS SELECTED FOR SCOUT CAMPS

Selection of ten Adams County girls to be recipients of "campers-ships" which will pay half of the cost for a week's camping at recognized Girl Scout camps was completed Wednesday evening by the camping committee of the Adams County Girl Scout Council.

Meeting at the Girl Scout office in the basement of the First National Bank Building, Lincoln Square, the committee headed by Mrs. Hilda Arter, Littlestown, named seven Intermediates and three Senior scouts to receive the awards.

Selection was based on the Girl Scouting activities in which the applicants had participated during prior years.

Intermediates to receive the camperships include Diane Wolff, Gettysburg R. 5, Troop 21; Bonnie Wright, 40 W. Middle St., Troop 9; Connie Riley, 306 N. Stratton St., Troop 7; Evelyn Gaston, Gettysburg R. 2, Troop 4; Judy Long, 405 Prince St., Littlestown, Troop 34; Barbara Bevenour, 110 Newark St., Littlestown, Troop 12; Susan Baer, Biglerville, Troop 40.

New Service Used By Local Merchant

Three illustrations highlight Tobey's display advertisement of Easter fashions appearing in this edition of The Times.

The three photographs were taken in the store by a Times photographer and the engravings made in The Times' newsroom on the Fairchild Scan-a-graver. The entire process took less than 35 minutes.

This is the first time a local merchant has used the photographic-engraving service of The Times to this extent. It aptly demonstrates the extent to which this service can be used and how it improves the eye-appeal attractiveness of the advertisement.

THREE HOGS BURN

Autos Collide At Road Intersection

Mrs. Charlotte Mae Trump, 24, Dillsburg R. 1, was injured slightly when her auto was involved in a collision five miles west of Dillsburg on the Clear Spring Rd. at 4:20 p.m. Tuesday.

She was treated for an injured right knee by Dr. Ralph Bentz, of Dillsburg.

State police said Mrs. Trump was driving north when a car operated by George L. Cassiday, 63, of Dillsburg R. 1, traveling south, made a left turn onto Chestnut Hill Rd. and the two vehicles collided. Total damage was estimated at $300.

JAMES AUMEN RETIRES AFTER THIRTY YEARS

The retirement of James A. Aumen, who was formerly Gettysburg fire chief and a member of the local fire department since 1924, was accepted by the Gettysburg Fire Department at its meeting in the engine house Wednesday evening.

Aumen has been on leave of absence for some time because of his physical condition. In his letter asking to be retired he said his physican advised him that he would be unable to be active with the fire company for at least another year. As a result, he said, he planned retirement to permit the company to obtain an active member in his stead. He praised the company as the "best in the county" in his letter.

Fireworks will be held every night of the carnival this summer, Raymond Menges, chairman of the Battle Anniversary Committee, reported. The fire company voted sufficient funds to the committee to purchase fireworks expected to cost about $650. The money will be returned to the fire company from receipts of the carnival.

Get Prices On Flags

Menges also announted appointment of John Long as chairman of a committee to work with the Recreation Board on a plan to repair the small building erected by the firemen at Recreation field for use in connection with the carnival. Long's committee will meet with a committee from the recreation board Tuesday evening to complete plans for the renovation to cost not more than $325.

National Guard Is Praised By Leader

The local National Guard unit was commended Monday evening by its battalion commander following an inspection of the company at the local armory.

Lt. Col. Marvin Bair, York, commanding the Second Battalion of the 104th Armored Calvary Regiment, following his inspection, told the group "your unit is doing an excellent job in preparing men to do their specific jobs in the company."

The unit currently is engaged in preparing for the annual federal inspection, April 27.

While full strength in personnel, with 88 enlisted men, six officers and one warrant officer, the local National Guard is urging youths between 17 and 18½ to visit the local armory Monday nights for information concerning enlistment in the Guard.

C.E. GROUP PARTY

A St. Patrick's Day party by the Christian Endeavor group of the Orrtanna EUB Charge will be held Friday evening at 6:30 o'clock at the Mt. Hope Church. A "pot-luck" fellowship dinner will be held. The program will include special music, group singing and games.

Jane Owen Miller, Infant, Buried Today

Graveside services for Jane Owen Miller, daughter of Mr. and Mrs. S. Blaine Miller, 701 Highland Ave., who died Wednesday, one hour and 45 minutes after birth, were conducted at the Evergreen Cemetery this morning at 10:30 a.m. Rev. Dr. Howard S. Fox, pastor of the Gettysburg Reformed Church, officiated.

Surviving, besides her parents, is one brother, Andrew O. Miller, at home. The infant died at the Warner Hospital, Wednesday morning at 10:55 a.m.

VFW NOMINATE AT SESSION HERE ON WEDNESDAY

Plans for attendance at a district meeting Sunday at Scotland School and nominations for officers for the coming year were among matters before the Veterans of Foreign Wars Wednesday evening at a meeting held in their home on Carlisle St.

Among nominees was Francis Wisotzkey, present senior vice commander, for commander; John Greiner and John Rummel, for senior vice commander; Richard Sites, James Harness and Charles Weaver for junior vice commander; Wilbur Rudisill, chaplain; John Kendlehart, quartermaster; Attorney Charles Wolf, advocate; Dr. John Knox and Dr. Edgar Miller, surgeon; John W. Roth, Bernard Murray, T. J. Collingsworth and Robert Gilbert, for trustee, with two to be elected.

Rental of a bus to transport members and their ladies to Scotland School for the district meeting was approved. The bus will leave the home on Carlisle St. at 1 o'clock Sunday afternoon. The district meeting had previously been scheduled for later in the month, but

Littlestown School Board Given Deed To Memorial Field

The deed to Memorial Field was delivered to the Joint Board of Education of the Littlestown Joint School System by Solicitor Daniel E. Teeter, Tuesday evening, at the regular meeting of the board in the Littlestown High School.

Title to the field was given by The Littonian Shoe Company, Luther W. Ritter, secretary, and Charles E. Ritter, president.

Accounts payable in connection with the purchase of Memorial Field include: cost of land, $4,200; drainage tile, $1,845.13; labor, 2,643.73; lights and installation, $16,196.89; bleachers, $2,160; fence, $2,489.06, and recording of deeds and titles, $21.30.

A statement of credit items fully covering liabilities noted: private donation by Luther W. Ritter, $13,192.45; local baseball club and tournament, $1,603.94; Littlestown Junior Chamber of Commerce—who will sponsor "Old Timers'" baseball games and music festivals—$3,395.93; Littlestown High School, $4,103.89; miscellaneous donations, Luther W. Ritter, $400; Lloyd E. Crouse, $125; Wilbur E. Mackley, $14.10; rentals, $5; purchase price paid by the Board of Education, $6,715.50.

Thank Donors

The Board of Education, in accepting the field as a property of the Joint School System, thanked both donors and committeemen whose cooperation made the project possible.

The board received bids for the laying of pavement past Memorial Field but did not award a contract. President Arthur R. Buehler, who presided, appointed Henry E. Waltman and Karl P. Bankert to study the suggested management policy for the operation of Memorial Field. They will report at the April meeting.

The idea of an enclosed play area and athletic field was first conceived by the Ritters several years ago. Other citizens interested in child welfare together with public school officials joined to support the project and July 24, 1948, Charles E. and Luther W. Ritter, of the Littonian Shoe Company, agreed to underwrite the program.

Buy Land For $4,200

The Memorial Field property was purchased from Edward and Emily L. Collins, the Littlestown Developing Company, Carroll Shoe Company and I. H. Crouse and Sons for $4,200. The Littonian Shoe Company provided the funds to complete the project.

The name of Memorial Field was selected in a public contest and was decided by a committee apponited bythe Athletic Council. R. Richard Harner, Union Twp., submitted the winning entry with the suggestion that it be named as memorial to all men and women of the community who served in the armed forces.

The field is adapted to football and baseball, and has a lighting system. It is the property of the school district under control of the Board of Education.

The board agreed to purchase a

The Red Cross campaign total reached $2,171.75 at the end of the first 10 days of the campaign for $14,000, Chairman N. A. Meligakes announced today. The drive will continue through the month.

Several changes in district chairmanships were announced today. New chairmen include: Mrs. W. C. Bucher, for the south half of the rural area about Gettysburg; Dr. Frank H. Kramer, for Gettysburg College; Miss Ruth Myers and Mrs. Elliott Schlosser, chairman and co-chairman for Arendtsville, and Miss Jean Bucher and Miss Mary Clapsadle, co-chairman, for the Cashtown district.

SEES FINANCIAL ADVANTAGES IN SCHOOL MERGER

A change from a joint system to a merger or union district would probably not increase the educational services offered by the Gettysburg joint school districts, but would have a financing value in increasing the amount of state appropriation to the Gettysburg system and would "streamline' the administrative setup, Dr. Herbert Bryan said here Wednesday night.

Bryan, New Oxford High School faculty member, who recently received his doctor's degree, writing his thesis on school organization and the laws regarding it, was the speaker at a meeting held by the Gettysburg Parent Teachers Association. John C. Stahle presided at the session held in the high school library as chairman of the PTA Merger Study group.

Dr. Bryan outlined the methods by which various school changes are effected and the advantages and disadvantages of the various systems.

Formed Under Old Law

"In this day of change it is important for every citizen to know something about school districts, because of the movements going on within the state toward joint schools, union districts and mergers, and because the state is at present, preparing its over-all plan to reorganize the school district structure," he said.

His purpose, he said, "is not to sell any type of school district, merely to give information on what methods of reorganization are permissible in Pennsylvania and what districts have taken advantage of them."

The jointure program, in which Adams County in the past few years has participated widely, with nearly every district in the county entering jointures, is based on a law passed by the Pennsylvania legislature in 1854. "It is under this ancient law that 385 joint school districts have been formed in Pennsylvania, embracing 1404 of the 2490 school districts in the state. That is, more than 56 per cent of the school districts in Pennsylvania operate as part of joint school systems.

Many Advantages

"Union districts came about as a result of the establishment of the school code in 1911. Union districts are formed by action of the local boards involved, with the consent of the electorate. If the people in the districts vote aproval, those districts are abolished and a larger district is formed, with all the assets and liabilities of the several districts

FRATS RESTORE OLD CEMETERY IN "HELP WEEK" PROGRAM HERE

Seventy pledges from Gettysburg College's 12 fraternities are renovating a 206-year-old cemetery as a pre-initiation work project.

As a result of their work the ancient Pine Bank (Black's) Cemetery south of Roundtop, along Rock Creek, in Mt. Joy Twp., is regaining the appearance it had in the days when it was cared for by local families as the burying ground of loved relatives.

Over the years descendants of most of those buried in the cemetery moved away, leaving a few local families connected with it. They strove to beat back the encroachments of nature, but the cemetery, covering about ¾ of an acre, fell prey to new growth and apparently some vandalism. Tombstones overturned, brush grew, new growth of trees started in many parts of the cemetery.

During the past three days college fraternity pledges worked daily to cut down new growth, restore overturned tombstones and generally "clean up" the ancient burial ground.

Change To "Help Week"

Decision of the fraternities to perform the work came as a result of the Interfraternity Council's pledge to change the traditional "Hell Week"—the week preceding initiations of new members into the "frats"—into "Help Week." All that energy, the council figured, should go into useful projects.

First suggested was the renovation of a home for a needy county family, but the council learned that project was being taken care of by other groups. The council then turned to the Adams County His-

COUNTIANS ARE OFFICERS IN WOMEN'S GUILD

Mrs. Howard E. Sheely of Trinity Reformed Church, Hanover, was elected president of the Nevin Regional Women's Guild of the Reformed Church at the 13th annual meeting Tuesday in Zwingli Reformed Church, East Berlin. One hundred forty-two women attended.

Mrs. William H. Banks, of Grace Reformed Church, Hanover, who retired as president after serving her limit of four years and had in addition been secretary for the previous four years, was given a train case in appreciation for her services.

Other officers named were Mrs. A. C. Rohrbaugh, New Oxford, first vice president; Mrs. Marshall Longanecker, Arendtsville, second vice president; Mrs. A. Ross Hostetter, of Emmanuel Church, Hanover, secretary, and Mrs. Ervin Mummert, East Berlin, treasurer. Installation ceremonies were conducted by Mrs. Oliver K. Maurer, Red Lion, Synodical Guild president. Mrs. Nevin E. Smith, Hanover, was chairman of the nominating committee.

Dr. Bartholomew Speaks

Mission work among migrant workers in Pennsylvania was described by the Rev. Dr. Alfred C. Bartholomew of the Reformed Seminary, Lancaster, and the afternoon offering was given toward that work. Departmental reports were given in the form of a panel discussion.

Mrs. Howard S. Fox, Gettysburg, was registrar for the sessions which had the theme "Jesus Christ—The Hope of the World." Mrs. Mummert was in charge of morning devotions, Mrs. Sheely the offering, Mrs. Hostetter the memorial service and Mrs. Banks the afternoon prayers. Dr. Bartholomew pronounced the benediction. The noon meal was served by women of Zwingli Church.

SEEK FUNDS FOR NEEDY

New Oxford Lions Club today announced it is collecting money to help re-establish a home for James Brown, New Oxford R. D., and his family who recently lost their home and all their possession in a fire.

Contributions should be mailed to Fred L. Gable, treasurer, New Oxford, Pa. The fund will be administered by trustees of the club.

Heralds Polio Vaccine Which May Give Lifelong Protection

DETROIT (AP)—Dr. Albert B Sabin, Cincinnati virus expert, today reported big steps toward a new kind of polio vaccine which might give lifelong protection.

He announced finding "tame" living polio viruses which have been used successfully in vaccine tests on monkeys.

Although still alive, those viruses are harmless "cousins" of regular polio virus, and don't cause sickness. Because they are alive, they presumably would be far more powerful in creating protective antibodies than killed viruses, such as used in the Salk vaccine. The antibodies created by living virus could last for years even perhaps a lifetime.

More Work To Do

Much more work needs to be done on this type of vaccine, Dr. Sabin, of the University of Cincinnati Medical College, told the Michigan Foundation for Medical and Health Education.

He expressed opinion there are still some unanswered technical questions about the vaccine developed by Dr. Jonas E. Salk of Pittsburgh.

A main question is how effective killed viruses are in creating antibodies, and how long such antibodies last, he said.

Another is how many thousands or millions of killed viruses are needed for one vaccination. If the number is too high, it may be impossible to supply enough virus to vaccinate millions of children and young adults, Dr. Sabin said. The virus for vaccines now is grown only in monkey kidney tissue, he explained, and there is a limit to its availability.

Dr. Salk is expected to report new findings on just such questions at a meeting tonight in New Orleans.

Dr. Sabin's prepared paper did not imply that the Salk vaccine is not safe.

He said the final answer whether any vaccine actually gives protection can come only from care-

Would Vacate Chavez's Seat

WASHINGTON (AP)—The Republican majority of a Senate investigating committee recommended today that the seat held by Sen. Chavez (D-NM) be declared vacant because of "irregularities" in the 1952 election.

The report said the election, in which Chavez was opposed by Republican candidate Patrick Hurley, should be voided.

Sens. Barrett (R-Wyo) and Potter (R-Mich) signed the report.

The third member of the committee, Sen. Hennings (D-Mo), was preparing a minority, dissenting report.

Joint Meeting Held

A meeting of the Joint School Committee followed the Board of Education session. John H. Riley, elementary principal, reported on the progress of the Rolling Acres Elementary School building program. He said minor adjustments have been made in the heat control and intercommunication system.

Mrs. Branda B. Walker, school nurse, reported 31 home calls during February, 279 first aid treatments, and two eye examinations. Five of the first aid cases required further treatment by a doctor. She said first injection of tetanus toxoid will be given to the pupils of the first grade, Friday, by Dr. Leonard L. Potter, school physician. Permission slips have been sent to the parents. She said there are several cases of mumps in the primary grades.

Ray V. Reichart, treasurer, reported receipts for February as $20,813.23. Expenditures follow: General control, $60; instruction, $11,375.28; auxiliary agencies, $985.55; coordinate activities, $324.49; operation of plants, $1,795.71; maintenance of plants, $7,014.55; fixed charges, $26.30, for a total of $21,581.88.

The next meeting of the Joint School Committee will be held Tuesday, April 13, in the Littlestown High School.

The semi-monthly meeting of the Ocker-Snyder Post No. 321, American Legion will take place this evening at 8 o'clock at the Legion Home, E. King St.

A white elephant sale will be featured at the March meeting of the Mothers' Sunday School class of St. Mary's Reformed Church, Silver Run, on Friday at 7:30 p.m. in the church social hall. Each member is asked to bring a gift for the sale. The hostess committee includes Mrs. Irvin E. Flickinger, Mrs. Cyril Croft and Mrs. John T. Dutterer.

Dr. J. M. Myers, Gettysburg, will present an illustrated lecture on his recent trip to the Holy Land at a special program on Friday evening at 7:30 o'clock in Grace Lutheran Church Parish Hall, Two Taverns. The program is being sponsored by the Primary Department of the Sunday School. The public is invited. Refreshments will be on sale.

TWO ACCIDENTS TO BE PROBED

Two hunting accidents, one involving a 25-year-old veteran of the Korean war who lost a portion of his right leg, were to be heard this afternoon at a referee's hearing conducted by Arthur G. Logue, Huntington Game Commission supervisor, in the office of Justice of the Peace John H. Basehore.

Subpoenas were issued through District Game Protectors Leo Bushman and John Spahr, county investigating officers, to Grant E. Bigham, 25, Orrtanna R. 1, whose leg was riddled, and Archie H. Monn, 33, Fayetteville R. 2, the alleged offender. Also order to appear at the hearings were Howard W. Kline, 42, Biglerville, a victim, and Carl O. Taylor, 34, of Bendersville, offender.

The accident in which Bigham was seriously wounded occurred November 26 in Hamiltonban Twp. The young veteran and Monn, a brother-in-law, went to retrieve a squirrel when Monn's shotgun was discharged. The shot ripped into Bigham's right leg above the ankle.

In another hearing, Taylor will give his version of the accident in which he fired at a rabbit, November 26, in Tyrone Twp., and hit Kline in the leg.

Logue said he will determine the amount of liability in each of the cases and submit a transcript to the State Game Commission, in Harrisburg. An adverse finding could result in the suspension of a hunting license from one to three years.

ADVANCE PLANS ON EASTER SEAL SALE, MEETING

Plans for the annual meeting of the Adams County Society for Crippled Children and Adults and for the organization's annual Easter Seal sale to raise funds for its work during the year were advanced at the regular March meeting of the board of directors here Wednesday afternoon. Vice President Russel S. Hackman presided.

The seal sale will open March 18 and close a month later on Easter Sunday. As chairman of the Easter Seal committee, Mr. Hackman distributed envelopes, letters and seals for folding and stuffing by members of his committee in preparation for the mailing of about 6,000 letters next week.

The board recommended for adoption at the annual meeting a constitution for the society as proposed by a committee headed by Dr. Clarence Bartholomew.

Appoints Nominating Committee

State Nurses Mildred Eden and Clara Bushey reported to the board Wednesday and received authorization to proceed with physical therapy work expected to be ordered for three Adams County children who will be among those to go to the regular spring clinic at Chambersburg and Carlisle on April 13 and 14.

More information on the society's plans to provide a speech correction specialist for county children will be gathered at the state level by Creston C. Herold, assistant executive director of the state crippled Children's Society. Mr. Herold and William Rodd, field representative, attended Wednesday's meeting.

Mr. Hackman appointed Edward B. Bulleit, Mrs. Louise Bream, Miss Bettie Livermore and Dr. Bartholomew to a nominating committee to report at the annual meeting. Routine reports were received and a pair of $21 shoes were authorized for a crippled boy in the county. Thirteen persons attended the meeting.

SEES FINANCIAL

(Continued from Page 1)

becoming the liabilities and assets of the new union district. The union district is administered by one school board, with the size determined by the class of the district, and the entire district has one uniform tax rate.

"Merged districts end in the same result as union districts—one district from many, with one board, and one tax rate. But the difference lies in the procedure used to change from several districts into one district. The end result is the same.

"Advantages of the union or merged districts are many over the joint system. Uniformity of tax rate is one, a smaller board of directors is another. Probably most important is increased appropriations from the state. Actually a jointure can give just as good an education to its students as a merged district—the only problem is the unbelievably complicated manner in which it must operate, with, in the case of Gettysburg, 37 directors on seven school boards, actually eight, considering the jointure as a separate unit. It must have eight budgets, eight audits, eight secretaries, eight treasueres, seven tax collectors, etc. and etc. It can and does operate as is proven daily, but its operation is highly complicated.

"An advantage of a merged system over a union system is that it permits fringe areas to enter other systems nearby if so desired. Thus the merger system probably would be best for such areas as Straban where a part of the district goes to New Oxford."

reported receiving two bids. A Harrisburg company asked approximately $350 for the flags while Doughtery and Hartley asked $194.80 for the flags and equipment. Because of the wide difference in price, Jacobs' committee was instructed to view the flags offered and report back in April.

Francis Smith reported that his group had gone to Lebanon, had been informed that Gettysburg was the first company to ask for rooms at the state convention, and then returned to receive a letter some time later that all rooms had been taken. He said his group is checking now to determine what went wrong at Lebanon.

2nd Army Units Coming

Units from the Second Army will participate in the anniversary parade July 1, President William G. Weaver reported. The commanding general of the Second Army will be honorary parade marshal for the event.

Donations of $10 from Walter Coshun, Gettysburg R. D., and $50 from the Aero Oil Co. were received with the thanks of the company. Also reported was a $10 donation from Gallagher's Food Market, the first received toward the carnival, Menges said.

The firemen voted to pay the light bill at the lodge on the National Park at the former CCC camp. The lodge is used by the fire company for its summer meetings. The National Park no longer has funds available for the payment of the electric bill, President Weaver reported. According to the vote at the meeting, the park rangers will keep the key to the structure and will look after it. Other organizations using the structure will pay the fire company for use of the lights.

Guy Boyer was dropped as a member of the company. The application of Charles Ernest Kranias for membership was received. Named to the duty roster for the April meeting were Francis Groft, Nelson Groft, Glenn Guise, Sebastian Hafer and Laverne Hamme.

fully controlled experiments on hundreds of thousands of children. Such tests of the Salk vaccine are scheduled soon, with support of the National Foundation for Infantile Paralysis. The foundation supports the studies of both Salk and Sabin.

The "tame" viruses appeared when huge numbers of dangercus virus were being grown on kidney tissue.

By special methods, Dr. Sabin and co-workers found that some had changed or mutated—become genetically different—so they lost their polio punch, and these strains were separated and continued.

The studies must continue to learn whether there is any chance these viruses could change back again to become dangerous. Also, a search is being made to learn if nature already has created, in humans, any better strains of tame virus.

VFW OFFICERS NOMINATED AT LITTLESTOWN

The following officers were nominated at a meeting of the Mason and Dixon Memorial Post No. 6954, VFW, Tuesday night at the VFW Home, W. King St.:

Commander, James Kuhn; senior vice commander, Earl Weaver; junior vice commander, Charles Marker; quartermaster, Harold Redding and Robert L. Snyder; officers of the day, Lawrence T. Dooley; chaplain, Walter S. Mehring; judge advocate, P. Emory Weaver. Five delegates and five alternates will be elected from these nominees: Bernard Kuhn, John H. Riley, Earl Weaver, Kenneth Sparver, Charles Bridinger, Malcolm Harner, Charles Marker, Lawrence T. Dooley, Robert L. Snyder, Luther Hankey, Walter S. Mehring and Monroe J. Stavely. Nominations will remain open until the March 23 meeting, when the officers will be elected.

A citation of merit was received from the state department commander commending the post on the increase in membership. Four new members were enrolled. They are Frank E. Basehoar, Fred R. Medlin, Clarence K. Hartsock and Richard C. Smith. A donation was voted to the local Boy Scout drive. It was announced that the 21st district meeting has been changed from March 28 to March 14. It will be held at the Scotland School for Veterans Children, at 2 p.m. Those from the local post and Auxiliary who plan to attend the meeting are asked to meet at the post home at 1 p.m.

Auxiliary Meets

Members of the Ladies' Auxiliary of the Kingsdale Volunteer Fire Company No. 1 met for their monthly session Monday evening at the engine house. Mrs. Walter F. Crouse, president, who presided, announced that the Auxiliary had been invited to attend the plastic demonstration to be held under the sponsorship of the local Woman's Community Club on Friday evening, March 19 in the POS of A Hall. Reports were given by the secretary and treasurer.

The supper at the annual Firemen's carnival in August will be served cafeteria style. Blueprints for building of a stage and separate kitchen in the fire hall were displayed by Herbert Plunkert.

Mrs. Daniel Goulden received the guess cake. Games were played. Refreshments were served by Mrs. Mahlon Bucher, Mrs. Clyde W. Crouse and Mrs. Preston Crabbs. Mrs. Walter F. Crouse, Mrs. Glenn Crouse and Mrs. William Ebaugh comprise the hostess committee for the next meeting on Monday, April 12.

Bible Discussion Is Held By S. S. Class

Mrs. Mary Ellen Bortner, president, presided at the monthly meeting of the Ever Willing Sunday School Class of St. John's Lutheran Church, Littlestown, held Tuesday evening with 16 members in attendance. A Bible discussion was led by Mrs. Bernice Yealy and poems were read by each of the members present.

Members discussed the nursery project undertaken by the class, when its members act as baby-sitters for the parents of small childen of the congregation during the Sunday morning worship services. An imaginary food sale was conducted. Mrs. Hope King, secretary, reported. The prize for the group game was received by Mrs. Margaret Miller. Refreshments were served by Mrs. Myrtle Leister, March hostess.

The class will meet again April 13 at the home of Mrs. Margaret Miller, near town.

Several species of right whales are believed by scientists to restrict their activity to arctic and temperate waters and are thus divided into two groups in northern and southern waters.

SOCIETY PLANS EASTER MARKET

Plans were made by the Ladies' Aid Society of Redeemer's Reformed Church, Littlestown, at its meeting Tuesday evening, to conduct its annual Easter market on Saturday, April 17. Mrs. Charles A. Hofe and Mrs. Donald C. Arbogast were directed to secure a site.

Mrs. John W. LeGore, vice president, presided for the business session in the church hall. Mrs. Wilbur A. Bankert reported that the society has purchased cake plates for use at church functions. A banquet will be served to the Gettysburg Soroptimist Club. Mrs. Frank E. Reynolds, secretary, and Mrs. Paul F. Crabbs, treasurer, gave reports.

The program included group singing. Mrs. Edwin G. Miller was the pianist. The Scripture was read by Mrs. Calvin M. Sentz Sr. Two piano solos, "Crying In The Chapel" and "With These Hands," were played by Barbara Sentz. Mrs. Lloyd E. Crouse gave a reading entitled "St. Patrick." Sally Basehoar played "The Skater's Waltz" as a piano solo.

Two new members were enrolled: Mrs. Mervin S. LeGore and Mrs. Glenn S. Kauffman Jr. The guess package, given by Mrs. Bankert, was received by Mrs. Reynolds. Refreshments were served by the March hostesses, Mrs. Hofe, Mrs. Arbogast and Mrs. Sentz. The Society will meet April 13 at the church, and the hostess committee includes Mrs. Lottie Duttera, Mrs. Claude W. Olinger and Mrs. Glenn S. Kauffman Jr.

Franklin Township Signs For Testing

Franklin Twp. Wednesday was announced as the sixth Adams County township to sign for brucellosis testing.

All but five of the approximately 76 dairy farmers in the area signed for the program, which becomes mandatory on all when 90 per cent or more of the cattle owners in a given township approve the plan. The number of dairy farmers was not known because a number of the herd owners had previously signed for individual herd testing, which is included in the 90 per cent, George Kane was chairman of the committee which secured the signatures.

County Agent Frank S. Zettle also announced a meeting on brucellosis for farmers in Freedom and Cumberland Twps. to be held next Wednesday at 7:30 p.m. at the Adams Electric Cooperative.

Four VA Offices To Be Consolidated

WASHINGTON (AP)—The Veterans Administration has announced it is consolidating its district office at Dallas with the one at Denver and its Atlanta office with the one at Philadelphia.

The change is to be started immediately. It will leave the agency with only three district offices. The other is at Fort Snelling, Minn. District offices handle insurance and death claim matters.

The agency's announcement said the consolidations would result in an annual saving of at least $1,024,000 in salaries and there would be further savings in rental costs. Cost of the transfers was placed at $1,016,000. This would indicate a saving of $8,000 for the first year.

WSCS HOLDS MEETING

Fifteen members attended the March meeting of the Woman's Society of Christian Service of Centenary Methodist Church, Littlestown, held Tuesday evening in the church Sunday School room. "Sewing Seeds of Love" was the theme of the opening devotions, led by Mrs. Leslie Yohn. The program theme was "Our Spanish Speaking Neighbors." A reading, "The Words of the Bible," was given by Mrs. Arthur T. Burr. Routine business was conducted in charge of Mrs. Robert Crist, president. A box social followed. The next meeting will be held April 6, instead of April 13, due to Holy Week, at the church and a hat social will be featured.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY YEARS AGO

Only Eight Unemployed Persons In Aspers And Bendersville District: Four civil works projects have been completed in the Bendersville and Aspers area, according to reports filed in the local CWA headquarters.

The social survey in Bendersville, under the supervision of H. W. Knouse, shows 125 families residing in 116 homes with a total population of 382. Of this number 85 own their own homes and 37 lease the dwellings in which they reside. There are 69 school children and 43 children of pre-school age. Sixty-three persons are employed part time and three are unemployed.

There are 52 families in Aspers, with a total population of 169. Twenty-four own their own homes and 27 lease premises. There are 29 school children and 22 children of preschool age. Thirty-four are employed part time and three are unemployed. In the rural sections of these two communities there are 67 families with a population of 258. Of that number forty-one are employed part time and two are unemployed.

Borough Will Lease Airport On Oak Ridge: Gettysburg will have a municipally owned but privately operated airport within a short time according to action taken at the March meeting of borough council held Monday evening.

The Gettysburg airport on Oak Ridge, owned by D. K. Forney, will be leased by the borough and then released to Mr. Forney for five years and upward.

When the airport is taken over from Mr. Forney, council will make application for a grant from the Federal Civil Works administration to impove the landing field. The expense of improving the field is expected to be great.

P.T. Group At Bigler Enjoys Fine Program: The March meeting of the Biglerville Parent-Teachers association was held Monday evening in the community building with Earl Carey presiding.

Miss Murtoff's room won the prize for having the highest percentage of parents in attendance.

The meeting opened with music by the school orchestra after which Prof. Charles Yost led in the singing of "Auld Lang Syne." Minutes of the February meeting were read by the secretary, Miss Helen Lower. Following three numbers by the glee club, the following program was rendered: Playlet by Janet Carbaugh, Marvel Shue, Donald Coddington and Gerald Smallwood, all of whom are pupils of Miss Murtoff; reading, "Confessions of a College Professor," by Isabelle Shank; reading, "Pigs Is Pigs," by Donald Lady; three skits from "She Stoops to Conquer" by members of the Peter Pan club. Evelyn Myers played the accompaniment.

Mrs. George Shank reported for the visiting committee, other members of which were Mrs. E. E. Raffensperger, Mrs. Filmore Bream and Mrs. Clayton Jester. Mrs. H. K. Raffensperger, Mrs. George Beamer, Mrs. Paul Guise and Mrs. Maurice Sterner were appointed members of a committee to visit the school this month.

Himes—Miller Nuptials Solemnized This Evening: A wedding of wide interest will be solemnized at 6 o'clock this evening (March 10) when Miss Catherine W. Himes, daughter of Mr. and Mrs. William D. Himes, becomes the bride of Max B. Miller Jr., of New York City, in a colorful ceremony performed at the home of the bride's parents in New Oxford.

The Rev. Harry Hursh Beidleman, pastor of St. Matthew's Lutheran Chuch, Hanover, will perform the ceremony in the presence of more than sixty relatives of the bride and bridegroom.

The bride, who will be given in marriage by her father, will have her sister, Miss Betsy Himes, as maid of honor. Little Miss Nancy Acker and Master Billy Flaherty, both of New Oford, will carry the ribbons for the aisle.

Gettysburg Population Shows Increase As CWA Reveals 5,845: Interesting information about Gettysburg, its industries, businesses, residents and employment figures are contained in a report of Fred G. Troxell, superintendent of the local social survey, just completed, and submitted to council.

The report shows 115 homes in Gettysburg that receive tourists and can accommodate 1,804 persons. In addition, the four hotels have a total of 296 rooms which can accommodate 650 persons.

Gettysburg has 20 restaurants and three hotels which have dining rooms. The restaurants and hotel dining rooms can accommodate 2,019 persons. In addition, the church and lodges with dining rooms can set 3,042 persons, making a grand total of 5,061 persons who could be seated at one time in dining rooms here.

Information compiled from the residential survey, which was taken in January, shows that the total population of Gettysburg is 5,845, there are 3,997 adults, 80 persons in colleges, 1,173 in public and parochial schools and 595 of pre-school age.

A total of 1,942 are reported employed and 255 unemployed. The total number of families in Gettysburg is 1,740.

Mickey Bates, sophomore back for the University of Illinois, led the Western Conference scorers with 54 points in six games.

Today's Talk

By GEORGE MATTHEW ADAMS

LIFE IS WORTH LIVING

I have in my library a little book by William James, the noted scholar and psychologist. It is entitled "Is Life Worth Living?" It is the publication of an address given before the Young Men's Christian Association of Harvard University, May 1895. I wish to quote from the last part of the address, where he quotes from his friend William Salter, who said: "As the essence of courage is to stake one's life on a possibility, so that essence of faith is to believe that the possibility exists."

Then James remarked: "These, then, are my last words to you: Be not afraid of life. Believe that life IS worth living, and your belief will help create the fact."

We may speculate all that we want to about life and its meaning, but to live each day through disappointment, sorrow, and struggle, yet with a high vision, a steadfast purpose, through the exercise of our faith, and a demonstration of our courage, we can make life not only worth while, but triumphant.

Many years ago I invented, for my own use, a word that I formed to embody two meanings "peptimist," or a contraction of the word optimist plus the syllable "pep." Or, in other words, meaning to put reality and quite a lot of fire into our optimistic thinking and action.

What a thing it is for each one of us to be faithful to our trust in life, no matter what that trust may be. Stevenson wrote about living "hopefully." Why not? You can't lose by it, and you are sure to gain. As Will Rogers once said: "Live your life so that whenever you lose, you are ahead."

Tomorrow Mr. Adams will talk on the subject: "Influence."

HOSPITAL TRAY

Here's to the lady who fills up the tray
For hospital patients three times every day!
And here's to the maiden who carries it in;
And here's to the soup, be it thick one or thin!
But here's to the hat with the hole in the top—
The little tin helmet that covers the chop!

Here's to the sugar in envelopes small,
And here's to the coffee! Oh, here's to it all!
Here's to the orange juice, apricot, grape;
The head supervisor in cap and in cape,
But here's to the helmet I frequently drop—
The little tin hat that is over the chop!

It glistens like silver. It's polished with care.
I tenderly lift it to see what is there.
I watch for its coming. I frequently say
It's the brighest of things on my hospital tray.
May never the lure and the gleam of it stop—
The litt'e tin helmet that's over the chop!

EXPECT EARLY SENATE ACTION ON TAX SLASH

By JOE HALL

WASHINGTON (AP) — A bill to slash about 25 federal excise taxes by 912 million dollars has won overwhelming House passage and today appeared likely to get swift Senate approval too.

The House speeded the measure to the Senate yesterday by a 411-3 vote despite opposition from the Eisenhower administration.

The cuts, representing the first major downward revision of the excises or sales taxes in 20 years, would add almost a billion dollars to a deficit already forecast by the President at $2,900,000,000 for the year starting July 1.

The bill also includes something the administration wants and had figured into its budget for fiscal 1955—extensions of some steeper excises voted after the Korean War began. The Treasury would lose another $1,070,000,000 in revenue if these were to expire April 1 as scheduled.

No Changes Expected

Sen. George (D-Ga), senior Democrat on the tax-writing Finance Committee, said in an interview he expects the Senate to pass the House bill with little or no change.

Several Republicans on the committee said they would go along with the excise reductions.

Chairman Millikin (R-Colo) of the Finance Committee declined to disclose his position. But he said he would call his group together promptly, perhaps tomorrow, to start work on the bill, against the approaching expiration date.

There were indication today that the administration, which had hoped at least to scale down the excise reductions in the Senate, might instead wind up trying to head off further revenue losses.

Four Guards Injured In Seven Hour Riot

CHICAGO (AP)—Nineteen prisoners in Cook County's overcrowded jail rioted for more than seven hours yesterday before they surrendered after a barrage of tear gas shells and streams of water from high-pressure fire hoses.

The disheveled prisoners, soaking, shivering and gasping, stumbled out of a cell-block dayroom on the jail's third floor after a final hour of defiance late last night.

Three of the 19 suffered injuries in the stormy battle the inmates had waged with guards, police and firemen. Four guards also were injured, none seriously.

Part-Time Policeman Works 1-Hour A Day

ESTHERVILLE, Iowa (AP)—The position of police chief in Estherville is a one-hour-a-day job.

The City Council, in naming Harold Iseminger to the post, fixed his salary at $40 monthly. And Iseminger and Mayor G. K. Allen agreed that the new chief should put in an hour a day on the job. The rest of his working day Iseminger gives to the automobile radiator shop he operates here.

U. S. Involvement In War Brings Out Many Questions

WASHINGTON (AP) — A 28-word statement by President Eisenhower on how this country would enter another war—only after a declaration by Congress—may be remembered long after the present hubbub over Sen. McCarthy is forgotten.

The President, at yesterday's news conference in which he stiff-armed the Wisconsin Republican without mentioning his name, was asked the following question:

"Mr. President, Sen. Stennis (D-Miss) said . . . we were in danger of becoming involved in World War III in Indochina because of the Air Force technicians there. What will we do if one of those men is captured or killed?"

Stennis wasn't the only one who had raised that question. Others had wondered after it was learned a couple of hundred American Air Force technicians were being sent into Indochina to help service, but not fly, American planes given the French to fight the Communist-led Vietminh.

The President's answer was:

"There is going to be no involvement of America in war unless it is a result of the constitutional process that is placed upon Congress to declare it." Then he added: "Now, let us have that clear."

His answer may have been clear in Eisenhower's mind. But it raised more questions than it answered, because it has to be considered in relation to what has been called the military "new look" and what Secretary of State Dulles said Jan. 12.

Speaking on that date in New York on how the Eisenhower administration had worked out what he described as a new policy in meeting Communist aggression anywhere, Dulles said:

". . . The President and his advisers, as represented by the National Security Council, had to make some basic policy decisions. This has been done. The basic decision was to depend primarily upon a great capacity to retaliate, instantly, by means and at places of our own choosing . . ."

How does that jibe with Eisenhower's statement this country won't get into war unless Congress declares it? Dulles spoke about capacity to "retaliate instantly." Formal declaration of war by Congress would mean debate and delay.

Dulles' statement, the President's yesterday, others by various officials add up to less than a clearcut, comprehensive statement of intentions—perhaps necessarily. Still, many questions are left unanswered.

For example: What would Eisenhower do in case of another war like the Korean which wound up being a three-year war although Congress never declared it one?

Former President Truman didn't wait for congressional debate, which might have meant delay fatal to the South Koreans, on whether this country should (1) help them or (2) formally declare war on the North Korean Communists.

Truman acted at once, talked over his actions with a few chosen members of Congress, and saved South Korea. Republicans, particularly the late Sen. Taft, severely criticized him later for not having broader consultation with Congress.

But Dulles, in his Jan. 12 speech, praised the fast action taken to help Korea. And Congress in effect endorsed it, without declaring war, by voting the money to carry on the Korean fighting.

Limiteds Crash In Train Shed; 20 Hurt

CHICAGO (AP)—More than 20 persons were injured, none seriously, yesterday when the Pennsylvania Railroad's Liberty Limited and the Burlington Line's Minneapolis Zephyr collided in the Union Station's train shed.

Twelve of the injured were passengers in the Limited, which was bound for Baltimore and Washington. Five of the train's porters and waiters also were hurt, as were six Burlington employes aboard the Zephyr. There were no passengers on the Zephyr, which was backing into the big station for an outgoing trip. Only one of the injured remained hospitalized overnight.

Schmitt Gains Second Team In All-South Penn Choices; Five Trojans Receive Votes

Jay Schmitt, 6-2 center and honorary captain of the Gettysburg High School basketball team during the past season, was named to the second team in the official 1954 All-Star South Penn League selections announced today. Selections were named by members of the South Penn Sportswriters' Association and the eight coaches of the league.

Schmitt, an excellent rebounder and set shot ace, finished fifth in the individual league scoring with 191 points on 77 goals and 37 fouls.

Chambersburg, champion for the 10th time in 11 seasons, placed two players on the first team which is comprised of all seniors. Jim Chase, a right-handed push shot, and Wray Bevens, one of the top rebounders in the circuit, are the Trojans gaining spots. Bevens, as a result of being a unanimous choice and polling the maximum number of votes, 68, is an honorary co-captain with Frank Capitani, Hershey scoring ace, who also was a unanimous choice.

Tom Cross, 6-7 Waynesboro center, and top league scorer with a record-breaking total of 305, drew 61 votes.

Completing the first string choices is Reggie Rife, Hanover speedster, who gained 44 votes.

Of the five selected to the first team, four—Cross, Rife, Capitani and Bevens—finished in that order in the league scoring with 305, 230, 223 and 223 points. Chase finished seventh on 182 tallies.

Second team selections of Bob Tancredi, Hershey; Schmitt, Gettysburg; Clyde Washington, Carlisle; Bob Delancey, Carlisle, and Ralph Tolbert, Chambersburg, include all seniors but one—Washington who is but a sophomore.

Twenty-four players were nominated for the polling and 19 gained votes, nine being chosen for honorable mentions.

Chambersburg topped all schools in selections, placing Ralph Tolbert on the second team with Bob Jacobs and Jake Corwell getting honorable mentions.

RASCHI HURLS FOUR INNINGS; ALLOWS 2 HITS

By BEN OLAN
Associated Press Sports Writer

Chalk one up for Vic Raschi today—and the St. Louis Cardinals too.

"I think I can help them a lot," Raschi repeatedly has said since the Redbirds purchased him from the New York Yankees.

Yesterday, he showed he wasn't kidding. Making his debut for the National Leaguers, the 35-year-old right-hander limited the Chicago White Sox to two hits in the four innings he worked as the Cardinals eked out a 7-6 victory.

Bobby Shantz, another question mark pitcher, also made his spring debut, but he wasn't nearly so successful as Raschi.

Sidelined most of last season with a sore arm, the pint-sized Philadelphia Athletics' left-hander gave up three Cincinnati runs in three innings. He was touched for a home run by third baseman Charley Harmon, a double by Ted Kluzzewski and singles by Grady Hatton, Bob Borkowski and Roy McMillan. Philadelphia won the game 4-3 on a ninth-inning squeeze bunt by rookie Forrest Jacobs.

Red Sox Beat Braves

At Sarasota, Fla., pinch-hitter Billy Goodman's single in the seventh drove in two runs as the Boston Red Sox topped the Milwaukee Braves 3-2 for the fourth straight triumph. Henry Aaron walloped a home run for the Braves.

Outfielder Jim Fridley hit a ninth-inning home run, at Tucson, Ariz., to give the unbeaten Baltimore Orioles a 2-1 decision over the Cleveland Indians. Veteran Howard Fox was the winning pitcher.

The Pittsburgh Pirates exploded for five homers as they defeated the Detroit Tigers 8-1. Sid Gordon, Frank Thomas, Jerry Lynch, Jack Shepard and Bob Skinner were the home run hitters.

Shut out until the eighth, the Brooklyn Dodgers scored six times to tie the score then pushed over a run in the 11th to defeat the Philadelphia Phillies 7-6. Robin Roberts, the Phillies' big winner, blanked the Brooks for five innings.

Pinch-hitter Lew Berberet's sacrifice fly in the ninth drove in the winning run as the Yankees edged the Washington Senators 4-3 Negro catcher Elston Howard tripled home two of the Yankees three runs in the fourth.

At Mesa, Ariz., Ralph Kiner hit two home runs, one with the bases loaded, to lead the Chicago Cubs to a 10-7 victory over the New York Giants.

COUNTY LEAGUE WILL OPERATE WITH 8 TEAMS

An eight-team league for the South Penn Baseball League was decided upon for the coming season at a meeting of league officials Wednesday evening at the American Legion Home, Baltimore St.

Cashtown and Fairfield, who had previously been voted into membership, withdrew due to objections to several league rules.

Mummasburg was admitted as a new team to replace the Emmitsburg Legion. Former members of the circuit who will again participate include Bonneauville, Brushtown, Hunterstown, Taneytown, Greenmount, Harney and Bendersville. All were represented and posted forfeits with the exception of Bendersville who sent word they would definitely enter a team.

4 Twilight Games

A 21-game schedule was decided upon with the opening set for Sunday, April 25. No holiday games will be played but it was decided that each team will play four twilight games on the last two Wednesdays in June and the first two Wednesdays in July.

All Sunday games will start at 2 o'clock with the twilight and rained out games at 6:15 o'clock.

It was also voted to stage the anual all-star game Sunday, July 4, at a site to be determined later.

President Roy Shanebrook presided at the meeting.

Another meeting has been scheduled for Wednesday, March 24, at the Legion Home.

JONES BEATS GIL TURNER

PHILADELPHIA (AP) — Bobby Jones, a 3-1 underdog, won a split decision last night over fourth-ranked middleweight Gil Turner of Philadelphia.

Jones, unranked and a decided underdog, took command of the televised 10-rounder from the outset with a stiff left jab and a combination of rights and lefts in close that befuddled the aggressive Turner.

In fact, Jones, 29-year-old veteran of nine years of professional fighting, beat Turner at his own game, toe to toe machine gun punching. Unlike most Turner opponents, Jones refused to give ground in the many furious exchanges.

The decision was split with the two judges favoring Jones, 5-4-1 and 6-3-1, and the referee, Dave Beloff, voting Turner the winner 5-3-2. The Associated Press carded Jones a 5-4-1 victor. In scoring his 36th victory against 19 defeats and 8 draws, Jones staggered Turner several times and opened a bad cut under his left eye. Jones weighed 155 and Turner 151.

NIT TOURNEY HAS BIG WEEK

NEW YORK (AP) — The National Invitation Tournament takes the center of the stage in college basketball's biggest week of the year today as the 16 teams remaining in the National Collegiate Championships awaited their next games.

Semifinals were on tap in the NIT with top-seeded Duquesne favored over fourth-seeded Niagara and second-seeded Western Kentucky expected to topple third-seeded Holy Cross. The final, and a consolation final for tonight's losers, is scheduled Saturday.

Some of the NCAA entries headed for the four regional tourney sites — Philadelphia, Iowa City, Stillwater, Okla., and Corvallis, Ore.—and those already on hand got in their final practice licks.

Here's how they'll line up for the NCAA tilts tomorrow night:

At Philadelphia—Navy vs. Cornell and La Salle vs. North Carolina State.

At Iowa City—Penn State vs. Louisiana State and Notre Dame vs. Indiana.

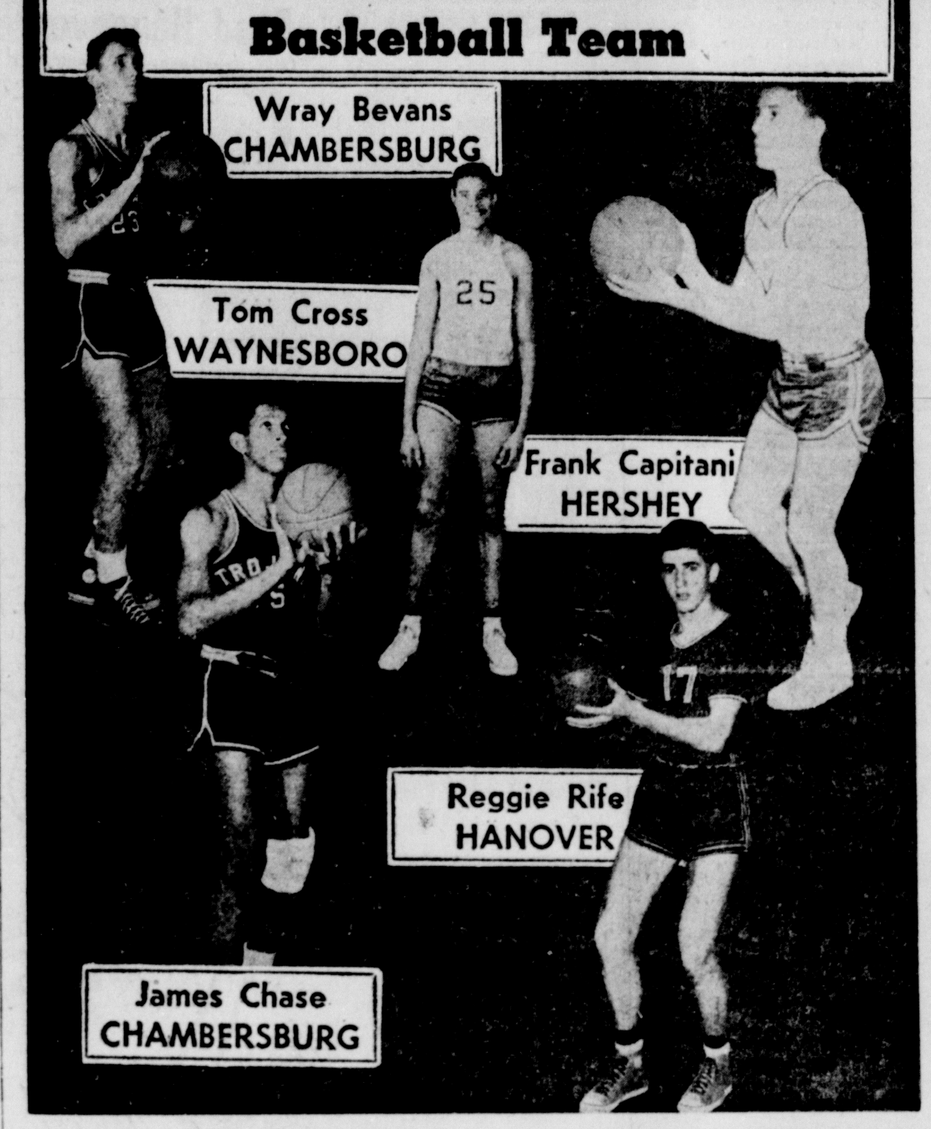

At Stillwater—Bradley vs. Colorado and Rice vs. Oklahoma A&M.

At Corvallis—Southern California vs. Idaho State and Santa Clara vs. Colorado A&M.

Two Teams Of Musselman High At Inwood, W.Va., Undefeated

There is a fascinating success story under the Musselman name in the outstanding record of a group of young athletes representing the Musselman High School at Inwood, Va. Their unbeaten football team, with a total of 197 points against their opponents' 45, created a sensation in sports circles in and around the Shenandoah Valley during the 1953 season.

Not satisfied to rest on the laurels of this feat, the basketball team also turned in a perfect season—the only unbeaten high school in West Virginia—and went on to win the Class B sectional championship this year.

George W. Whitehair, supervising principal; Kenneth Waldeck Jr., athletic coach, and a group of high spirited youngsters comprise the combination that made these records attainable.

Their achievement is even more remarkable when considered in the light of some interesting facts about the school. One of the smallest high schools in the state, Musselman High School, located in the upper reaches of the Shenandoah Valley, came into existence only four years ago through the generosity of the late C. H. Musselman, Biglerville, founder of one of the largest apple processing plants in the country. Its door were formally opened for classes in the fall of 1949.

Teams Improve

An athletic program was out of the question during the first term so that the first football team did not make its appearance until 1950. After having lost all their games the first year, the picture started to change, climaxed by this impressive record for 1953:

Musselman 13, Harrisonburg, Va. 6; Musselman 32, Hedgesvile, W. Va. 12; Musselman 27, Harper's Ferry, W. Va. 7; Musselman 26; Sheperdstown, W. Va. 7; Musselman 41, Charles Town, W. Va. 0; Musselman 27, Clark County, Va. 7; Musselman 31, Berkeley Springs, W. Va. 6.

Each year the arrival of basketball season presented its own peculiar problems for the school has no gymnasium. This deficiency, which might have served as an excuse to forego the popular midwinter sport, served instead as another example of their resourcefulness.

A foresighted school board had provided a macadam, outdoor court, adequate for early season practice but obviously limited because of weather conditions. The cement floor in the furnace room and the unheated quarters of an abandoned church proved satisfactory for practicing ball handling and close range dribbling. A deal with nearby Martinsburg High School to use their floor for "home" games completed the arrangements.

In spite of these handicaps, the "Applemen," as they are appropriately nicknamed, finished the season with this unbeaten record:

Musselman 40, Shepherdstown 30; Musselman 53, Charles Town 37; Musselman 51, Harper's Ferry 36; Musselman 44, Berkeley Springs 33; Musselman 65, Hedgesville 42; Musselman 58, Martinsburg (St. Joseph's) 39; Musselman 55; Hedgesville 47; Musselman 65, Shepherdstown 57; Musselman 52, Harper's Ferry 56; Musselman 47, Berkeley Springs 33; Musselman 62, Martinsburg (St. Joseph's) 44; Musselman 61, Charles Town, 44.

Fine School Spirit

Observers claim that a great deal of the success of the team can be attributed to the tremendous school spirit that exists at Musselman High School. Under the leadership of Whitehair, an alert faculty has managed to impart this quality to all the students, exemplified by little but significant things such as pride in the building—the walls remain unmarred; no carved initials appear on desk tops. In fact, the entire community has caught the spark with the result that the school has already established itself in this typically American setting.

According to a recent news release, Musselman High School will soon have its gymnasium. A successful bond issue, together with a grant from the Musselman Foundation, donor of the original building, will turn the trick.

Laurel Meet Will Open On March 22

LAUREL, Md., March 11—Fifty per cent of the 53 three-year-olds named for the $20,000 added Chesapeake Stakes at Laurel Race Course on April 10 are eligible for the Kentucky Derby at Churchill Downs this spring, an excellent tribute to a race which more than often provides the country's top sophomores.

The rebuilt, enlarged Laurel track will kickoff the Maryland spring racing season Monday, March 22, and the mile and a sixteenth Chesapeake will close the 18 days of thoroughbred racing. On opening day, the Capitol 'Cap will be run, to be followed by the Cherry Blossom Stakes on March 27 and the Laurel 'Cap on April 3.

YEADON CAGERS FACE SHOWDOWN "DREAM GAME"

By DICK HOENIG

HARRISBURG (AP) — Yeadon's High's Pennsylvania schoolboy basketball champions smash headon into Chester tonight in what Philadelphia area fans are calling a showdown dream game.

At stake is the Dist. 1 title, a ticket to the championship round of the state PIAA playoffs and the rating of eastern favorite. It's a natural for the two Delaware County quintets, tabbed the hottest pair of ball clubs to come out of the suburban Philadelphia scholastic ranks in years.

The game is one of three on a star studded schedule. In the west Meadville (25-1), defending Dist. 10 titlist, finds Sharpsville (21-4) its playoff foe for the fourth straight year in a contest that will decide district honors.

At Hershey, the Saints and Slaters of St. Clair (23-4) and Slatington (26-3) each try for their first Dist. 11 championships. For Slatington it's the first showing since that rocking upset over mightly Allentown in a district preliminary encounter.

Both Win Playoffs

Both teams were beaten twice in their respective leagues, the North Schuylkill and Lehigh Valley. Both won playoffs for season titles, Slatington over Palmerton and St. Clair over Mahanoy Twp.

The Dist. 1 finalists each have outstanding records, Yeadon 20-1 with the one setback coming in the final seconds of play and by one point. Chester holds a 22-2 season log, one defeat by powerful Johnstown (two points) and the other in a game against Upper Darby, a top league foe, by three points.

Both won their Suburban Philadelphia section titles with 11-1 records, Coach John Naegli's Yeadon outfit in Sect. 2 and Bob Forwood's Clippers in Sect. 1.

"Next Year Club"

Naegeli has maintained he as a "next year club" but he has never counted out the chance of repeating as state champs—something not accomplished in years. First he said if Yeadon got by Darby it wouldn't have any trouble in the league. Then he added if the Eagles could make it past Chester they could go all the way.

On the strength of more impressive playoff showings against Springfield and Pennsbury, some observers are giving Yeadon a slight edge. Also the old rule says stick with the champs.

The Eagles tied a Dist. 1 playoff mark with 83 points in beating Pennsbury while Chester had trouble in registering its opening win over Ridley Twp., 54-4. The Clippers beat West Chester easily in the semi-final.

Beat Lock Haven

Last night's four Class A games saw the state's next to last major school all-victorious streak come t9 an end. Lewistown, Central Mountain champion, built a one point first quarter and halftime lead into a 54-51 victory over Lock Haven. The Bobcats, winners of 18 straight previous starts, played without their star who was hospitalized. The loss was the third straight year Lock Haven has been dealt out of the state playoffs, twice by the Central Mountain entry and once by the Tri-county winner.

That leaves Johnstown of the Tri-county circuit with the last Class A perfect record for the season. The Trojans entered the Dist. 6 final against Lewistown by overwhelming Conemaugh, 51-30, for their 25th consecutive victory.

McKeesport entered the Dist. 7 and WPIAL final by licking New Kensington.

Bullets Smash Diplomats 91-62 To Close Campaign With 14-8 Log; Frosh Bow

Turning in one of their better performances during the past several weeks, the Gettysburg College cagers closed their season here Wednesday evening by outclassing Franklin and Marshall 91-62.

The Bullets recorded an excellent shooting percentage, landing on 44 per cent of their tosses from the field to lead practically all the way. As a result of the triumph Coach "Hen" Bream's outfit closed its campaign with a 14-8 record.

Joe Lang, Jack Keller and Tom Lunn, seniors, gave fine performances in ringing down the curtain on their collegiate careers. Lang dropped in 16 points while Keller and Lunn were particularly efficient in backboard work. Keller kept Carson Lovett, 6-7 Diplomat center, well under control throughout. Bill Snyder, who has another year of play remaining, enjoyed one of his best scoring evenings with 29 points to capture the scoring honors.

Joe Bierly opened the scoring for the Bullets with a set shot after 45 seconds. A layup by Lovett knotted the count. Lunn looped a foul and Pitock duplicated for the Diplomats. A foul by Eberle gave F. and M. its only lead of the evening at 4-3 after 1:40. A jump shot by Bierly and set by Lang sent the Bullets ahead in the next minute and they were never headed. At the end of the quarter it was 19-12.

Gettysburg maintained a safe lead throughout the second quarter as Snyder, Lang and Lunn each contributed a pair of twin-pointers and Bierly and Dick Hockenbury one each. Davis and Lovett sparked F. and M. during the round. The Bullets led 41-30 at half time.

Throughout the third frame Gettysburg maintained a margin of 10 or more points, zooming the lead to 61-43 in the closing moments of the period.

Snyder Sparks Attack

Snyder dropped in four goals early in the last frame as the Bullets turned the game into a rout and soon Coach Bream swept his bench clear by inserting all of his reservists who finished in good style.

Lee Pitock landed 20 points, 10 on fouls, to be high man for the Diplomats. Lovett added 16.

The college freshmen were outplayed all the way by the Diplomat yearlings and dropped the preliminary game 53-41 to make their season record 9-5. F. and M. turned in a good performance in controlling the boards, the Bullets being handicapped by the absence of Art Hendley, 6-3, who was out of action due to a sprained ankle.

McCarthy Appears On Mutual Newscaster's Program Tonight

WASHINGTON (AP)—Sen. McCarthy (R-Wis), nailing down the chance to make tonight the first broadcast reply to Adlai E. Stevenson, got the jump on an administration drive to lure the spotlight away from him.

The senator, still insisting he is entitled to free television and radio time over the networks which carried Stevenson's party speech last Saturday, announced he will make a "partial" reply tonight (7 p.m. EST) on the Mutual radio network.

That will be two days before the official GOP reply by Vice President Nixon.

McCarthy will appear on the 15-minute show of commentator Fulton Lewis Jr. McCarthy said it would be a "question and answer —mostly answer" affair. He said it would touch on criticism of him by both Stevenson, the Democratic presidential candidate in 1952, and by Sen. Flanders (R-Vt).

Free Time To GOP

NBC and CBS, which carried Stevenson's speech from Miami, Fla., have granted free time to the Republican National Committee for reply. The committee, which beat McCarthy to the draw in requesting it, chose Nixon as the GOP speaker.

President Eisenhower told his news conference yesterday he regarded the networks' decision as a fair arrangement. He said he heartily concurred in selection of Nixon. High GOP sources earlier had said the President hand picked Nixon.

Sen. Ferguson of Michigan, chairman of the Senate GOP Policy Committee, said in an interview today he interpreted the President's words as indicating concern that his legislative program might be lost sight of in wrangling over McCarthy and his controversial investigations.

Program Is Issue

Ferguson said that without disparaging McCarthy's activities, he and other leaders feel the Eisenhower program will be the "big issue" of this year's campaign for control of Congress.

McCarthy, perhaps taking the line he may employ in any reply he makes tonight to Flanders, told newsmen:

"There's a tremendous, concerted effort to cut down the investigation of Communists. A very few Republicans are joining in it. It's so easy for a Republican to be a hero in the eyes of the left wing press by interfering in the investigation of communism—I'm happy they are so few."

Asked to list the "few Republicans" he had in mind, McCarthy grinned and said "no comment."

He described Flanders as "one of the finest old gentlemen I know."

Ike Meets Senator

McCarthy and Eisenhower met last night at a dinner honoring Senate Republican leaders and Sen. Bridges (R-NH) reported, shook hands "in a friendly fashion." Other senators who attended said the two greeted one another cordially.

Flanders, who told his Senate colleagues Tuesday that McCarthy was "doing his best to shatter" the GOP, got what he termed a "nice letter" from Eisenhower, but declined to make it public. At his news conference, Eisenhower voiced general endorsement of Flanders' speech.

An overwhelmingly favorable reaction was reported by CBS in New York to a TV show put on Tuesday night by commentator Edward R. Murrow, who said McCarthy repeatedly has overstepped the boundary between investigating and persecuting.

The network last night said that with reaction still coming in, the breakdown was:

Many Favor Program

Telephone calls: favoring the program, 8,841; protesting, 697.

Telegrams: favoring the program, 2,764; protesting, 86.

Murrow offered McCarthy opportunity to reply on the same program sometime later. McCarthy said he was considering the offer, but wanted some information on what role Murrow would play.

McCarthy also had a luncheon talk with Secretary of Defense Wilson, who last week described as "damn tommyrot" any contention that the Army has been coddling Communists.

After the luncheon, McCarthy said he and Wilson had no argument, and he added that the secretary "has been active a lot longer than I have in getting rid of Communists."

JUDGE PONDERS JURISTS' RIGHT TO BAN PHOTOS

PITTSBURGH (AP)—A U.S. District Court judge who said three Westmoreland County jurists were "grossly unfair to me" pondered Tuesday whether they had the right to ban picture-making in corridors of the county courthouse at Greensburg.

Judge Wallace S. Gourley said he'll hand down a decision on the controversial photo blackout as soon as possible after attorneys file briefs today. Two newspapers seek a permanent injunction against enforcement of the picture ban.

In the meantime, Judge Gourley ruled a temporary injunction permitting photographers to operate on the courthouse under certain conditions will remain in effect.

Continues Injunction

The federal jurist continued the temporary injunction Tuesday after he failed to get a requested clarification of the Westmoreland County edict. He said:

"Westmoreland judges are grossly unfair to me. They are not telling me what they intend."

Atty. Reginald Belden had said Judges Edward G. Bauer, Richard D. Laird and John M. O'Connell told him, "There are so many possible situations it would be impossible and impractical to lay down a hard and fast interpretation at this time."

Judge Gourley, who repeatedly asked for a full explanation of the edict during the first day of the hearing Monday, asserted the failure of the three judges to say "what's on their minds" certainly makes "my problems more cumbersome."

Emmitsburg

EMMITSBURG — The Emmitsburg Lions Club held their regular bi-monthly meeting Monday evening in the Lutheran Parish Hall. There were 17 members and four visitors present. The visitors were John Fuss, a local returned veteran, and Messrs. Hoffman, Stottlemeyer and McCauley, of Hagerstown. President Hahn presided.

Lion Wilhide, chairman of the Boy Scout Drive, distributed the pledge cards to the committee for the collection and urged that every man "try to see everyone on your list." The Club sponsors the Boy Scouts in this area. Franklin Wastler is the leader.

The dinner was served by the women of the church.

Recent visitors at the home of Mr. and Mrs. Louis Rosensteel were Mr. and Mrs. William Rosensteel and sons Phil and Jerry, Baltimore; Mr. and Mrs. Morris Hewitt and daughter, Hagerstown, and Dr. William Routzahn.

Among the week-end guests at the home of Mrs. Claudia Rosensteel were: Mr. and Mrs. William Rosensteel and sons, Mrs. Herbert Sprankle and family, and Mrs. Carl Arnheim, all of Baltimore; Mr. and Mrs. Herbert Sprankle Jr., Havre de Grace, Md. The occasion was Mrs. Rosensteel's birthday. She received several birthday cakes and other gifts and 86 cards.

Display GE Products At Harrisburg Show

The General Electric 1954 line of home heating and cooling equipmnet is on display at the 11th annual Central Pennsylvania Builders Show in Harrisburg until March 13, it was announced today by Vernon C. Reaver, Littlestown, G-E dealer in that area.

Units that can cool an entire house without using water and compact furnaces and cooling units that can be hung from the ceiling or tucked away in the attic are highlights of the new line. Mr. Reaver describes the heating and cooling equipment as "the most versatile on the market. The range of models includes units to fit any size and type of home. Furnaces are both oil and gas-fired."

WILL APPOINT NAVY SECRETARY "THIS WEEK"

By ELTON C. FAY

WASHINGTON (AP)—The administration was moving today to fill quickly the vacancy in the Navy secretary's post created by the selection of Robert B. Anderson to be deputy defense secretary.

The White House announced Tuesday that President Eisenhower had sent Anderson's nomination to the Senate, to succeed Roger M. Kyes, who is leaving as No. 2 man in the Defense Department May 1. Anderson is a "Democrat for Eisenhower" from Texas.

Secretary of Defense Wilson, at a Pentagon news conference shortly after the White House announcement, was asked if Gov. John Lodge of Connecticut, a Republican, was being considered to succeed Anderson for the Navy post. Wilson said "I would rather not talk about" any of the possible choices, but he added:

Early Appointment

"It will be settled before the week is over—not later than that."

Kyes, who attended the news conference, was asked why he was leaving the defense job, which he took after resigning as a General Motors vice president.

"The best reason was that I agreed to come down (to Washington) for only one year," he replied.

Anderson's nomination was referred to the Senate Armed Services Committee. Early Senate confirmation is expected.

Wilson told reporters the selection of Anderson, 43, was "very fortunate" because he now had a year's experience in Pentagon operations and "I'm sure he will contribute greatly to the job that is to be done."

SEEK UNIFORM HIGHWAY CODE

HARRISBURG (AP) — A uniform code of safety regulations for superhighways inched forward today but experts who attended a two-day meeting here conceded there is a long way yet to go to achieve the objective.

Safety and traffic engineers of New York, New Jersey, Ohio and Pennsylvania concluded the two-day session Tuesday night with a trip across the Pennsylvania Turnpike to observe lighting of trucks and other vehicles using the toll road.

The discussions were aimed at adoption of a uniform code which will assure drivers of one state that they are not subject to different regulations when using a road in another state.

"Something like this involving four different codes plus the Interstate Commerce Commission regulations takes a good deal of time," observed Harold W. Morgan, turnpike safety engineer.

With safety promotion through uniformity as the main objective, the group paid particular attention to mutual problems involving lighting requirements and rear-end protection for vehicles using the roads.

ORDER ELECTION

Labor Relations Board has ordered a collective bargaining election at the Downington, Pa., Manufacturing Co. The AFL-International Brotherhood of Pulp, Sulphite and Paper Mill Workers, Local 767, is seeking to represent employees at the paper plant. The NLRB Tuesday directed that the election be held within 30 days.

Harlan Caton, 18 year old bowler from Houston, Tex., broke the American Junior Bowling Congress all-time record when he rolled games of 238-256-254 for a 748 total.

WILL OPEN 8 REST AREAS

HARRISBURG (AP) — The State Highways Department plans to open eight more roadside rests by June 1 to take care of growing numbers of motorists using the Pennsylvania stopoff places.

Wesley L. Hottenstein, supervisor of the department's roadside development unit, reported Wednesday that 21 of the proposed 67 roadside rests throughout the state now are in use. By the end of this year, a total of 35 installations are expected to be completed and in use.

The department estimates that 445,000 persons a year stop at the roadside rests. That's an average of between 3,500 and 4,000 per month at each site.

Hottenstein reported that work is now under way on these new sites to be completed by about June 1:

Wyoming County—Rt. 309, four miles south of Tunkhannock; Lawrence—Rt. 422, six miles east of New Castle; Mercer—Rt. 19, six miles north of Mercer; Allegheny—Rt. 28, four miles north of Tarentum; Warren—Rt. 62, two miles east of Tidioute; Bedford—Rt. 56, one mile south of Pleasantville; Clarion—Rt. 322, 3½ miles west of Clarion; Clinton—Rt. 120, 17 miles northwest of Lock Haven.

SLAYER THANKS TROOPERS FOR "TREATMENT"

LOCK HAVEN, Pa. (AP)—A letter from a convicted killer postmarked shortly after he was electrocuted in South Carolina Friday, thanked the Pennsylvania state police for "treating me as a human being."

The letter was written by Lander Ray Gantt, 31, who with Shelton H. Gainey, 24, was electrocuted at Columbia, S. C., for the murder of a Myrtle Beach, S. C., taxi driver 4½ years ago. The two were arrested at nearby Rauchtown June 29, 1949, after holding up a Lock Haven gasoline station.

The letter, addressed to "State Police, Lock Haven Barracks" and opening, "Hello fellows" was received Wednesday. It was postmarked 5:30 p.m. March 5. Gantt and Gainey died shortly after 7 the same morning.

"Good Treatment"

"Sorry if I caused you any trouble at all," the letter read. "I know you were doing your job. So let it be said that the treatment I received at your hands was good or better than some that I have gotten elsewhere. I have found dealing with the state police of Pennsylvania a pleasure and an enlightment of true police work."

The letter itself was undated.

During his trial Gainey testified he was mistreated by police upon his arrest. The pair were questioned by former Sgt. Elbert W. Lantz, now retired and living at Sunbury, and Cpl. Alex Rudville, now working out of the Mountoursville barracks. Their questioning brought about a confession of the brutal slaying in which Robert D. Oliver, the driver, was first kidnapped and then beaten to death.

Gantt's letter thanked the police for "any considerations and kindness that were shown me while I was in your custody."

3 Escapees Caught After Three Hours

CARLISLE, Pa. (AP)—Three prisoners were back in the Cumberland County jail today after only eight hours of freedom.

The three made their escape yesterday afternoon by climbing a 12-foot fence during a volley ball game.

One of them, Adam Joseph, 45, was picked up by a deputy sheriff on a nearby rural road 20 minutes after he fled the prison.

Sheriff Clyde Fisher said the other two, Allison Hoffman, 16, and John H. Highlands, 22, surrendered last night at York. Fisher said they went to the home of a relative of Highland, who persuaded them to surrender.

Many auto crashes take place on long straight stretches of road because drivers tend to become drousy on them.

Admits Strangling 19-Year-Old Girl

CRESSON, Pa. (AP) — William Keith, 27, of Cresson Township, admitted to police Wednesday he strangled a 19-year-old girl with his scarf Monday night.

Police Chief Robert J. Kenny of Cresson said Keith killed the girl, Agnes Roles, after an argument. Seen with the girl Monday evening, he was picked up Tuesday night in a restaurant. Kenny said Keith confessed to state police of the Ebensburg barracks.

The girl's body was discovered in the cab of a dump truck parked in a Cresson used car lot yesterday by Thomas Vargo, 20, a partner in the Vargo Motor Co.

Despite two puncture wounds in the girl's chest, Coroner Joseph Govekar said death was due to strangulation. The girl's father, Charles Roles of Cresson R. 1, said she had been away from home for 24 hours before her body was found.

Approve Plan To Build Court House

DOYLESTOWN, Pa. (AP) — The Bucks County Court yesterday approved the first step in the plan of the county commissioners to build a new four million dollar courthouse here.

The court approved a contract for test boring work on the site of the present courthouse. Contract for this work now will be awarded to Sprague and Henwood, Inc., of Philadelphia.

PRICE OF PORK, BEEF SLASHED ACROSS NATION

WEEKLY FOOD REVIEW
By THE ASSOCIATED PRESS

Pork—at lower prices—will be a feature in many of the country's food stores this weekend. Housewives looking for good buys also will find beef moderately priced.

Center cut pork chops will be selling for four to six cents a pound below regular prices in numerous markets. Pork loins will be a special in some stores while others will offer fresh pork picnics at reductions of four cents a pound.

Beef prices generally will be at the same level as last weekend, but stores here and there will trim prices of sirloin steaks by four cents a pound and of prime ribs by two to six cents a pound. Some markets announced plans to feature pot roast, round steak and chuck roast.

Lamb and chicken prices won't show much change from a week ago. Not many stores are featuring chickens although prices are low.

Eggs will be down by one or two cents a dozen in some sections of the country. Butter prices will be unchanged in most stores.

Specialists in the wholesale produce markets say the outstanding buys in vegetables will be potatoes, onions, old crop cabbage and radishes. Also worth consideration: Sweet potatoes, greens, endives, escarole, iceberg lettuce and peppers.

Asparagus is going to market in increasing volume, but produce men say it's still high-priced. Spinach is a little lower, but still not a bargain. Early greens are arriving in markets over the country.

Grapefruit remains the best buy in fruits, according to wholesale men. California and Florida oranges show little price change. Tangerines are higher.

W. L. M'LEAN JR. DIES WEDNESDAY

PHILADELPHIA (AP)—William L. McLean Jr., 58, a big city newspaper executive who championed the rights of the small town paper, died last night of a cerebral hemorrhage.

He was vice president and treasurer of the Philadelphia Bulletin, and a brother of Robert McLean, president of the Bulletin Co. and president of The Associated Press.

Stricken with a cerebral hemorrhage at his home, McLean was taken to Lankenau Hospital, where he died a short while later. His wife and two children were at his bedside.

McLean was active in the Bulletin's operations since his discharge from the Army as a first lieutenant after World War I. His primary interests were in the company's finances and in the handling of newsprint.

As a past president of the Pennsylvania Newspaper Publishers' Assn., McLean devoted much attention to the problems of smaller newspapers throughout the state.

He felt that the big dailies should keep in mind the smaller newspaper's responsibility to its community and help it meet that responsibility.

Survivors include his widow, Eleanor Ray Bushnell McLean; a son William L. III; and a daughter Ray.

Funeral services will be held Saturday.

Annoyed by signs on many ancient Connecticut houses proclaiming "Washington slept here," one citizen posted a sign: "Washington Would Have Stopped Here If He Had Come This Way."

Ike Will Explain His Tax Program

WASHINGTON (AP) — President Eisenhower announced Wednesday he will go on television and radio probably next week to discuss informally the philosophy behind the administration's tax bill.

The President, making his plans known at a news conference, made no reference directly to a pending House bill to cut excise taxes by about 912 million dollars a year.

His announcement also came against the background of a Democratic move to boost personal income tax exemptions by $100 at an additional loss in revenue.

The administration has not endorsed the excise cut and the Treasury has indicated strong opposition to the exemption increase.

Eisenhower did say that his address will deal with the general philosophy of his tax program.

In the past he has repeatedly stressed that the government has to get the money to pay its bills, and that the aim is to get it wih he least burden to the economy and to the people.

Johnny Habeeb, Bill Snyder Gain Honorable Mentions In All-State Cage Selections

A pair of Gettysburg College basketball players, Johnny Habeeb, senior, and Bill Snyder, junior, were given honorable mentions in the 1954 Associated Press Pennsylvania All Collegiate basketball selections announced today.

Habeeb, top scorer for the Bullets last year and leader in the current campaign until forced out due to a leg injury on February 9, was sorely missed by the local squad in its late season games.

Snyder proved to be one of the most consistent performers during the campaign. In 1951 he was a member of the Allentown High School state school champions. Much is expected of him next year.

By RALPH BERNSTEIN

PHILADELPHIA, March 11 (AP) — Three members of Duquesne University's outstanding team — Dick Ricketts, Jim Tucker and Sihugo Green—were voted to the 1954 Associated Press Pennsylvania All Collegiate Basketball team in a vote of sports writers and radio sportscasters throughout the state.

This was the first time in the history of the all-state poll that one team provided as much as three-fifths of the all-star squad. All-America Tom Gola of LaSalle College and Jesse Arnelle, giant Penn State ace, joined the three Western Pennsylvania collegians on the honor team.

Named to the second team by the 30 voters were both Schafer of Villanova, Maurice Stokes of St. Francis, Howie Landa of Lebanon Valley, Carson Lovett of Franklin and Marshall and Geneva's Bill Blair.

Gola, Ricketts and Arnelle were named for third straight year, while Tucker returned to the All-State team he missed last year, but made in the 1951 campaign. The first team averages 6 feet 6 in height and scores at a combined norm of 87.8 points a game. All five men are outstanding rebounders and better than average defensive performers.

Gola, a two-time All-America choice, polled the highest vote with 52 points of a possible 60. The only ballots this 20-year-old LaSalle Junior missed were incomplete re-caster voted only for the players he had seen in action.

Son of a Philadelphia policeman, Gola is tabbed by most coaches as the best all around college player in the nation. Pro coaches drool at the sight of the 6 foot, 7 Philadelphian and already have termed him as a cinch to star in play for pay ranks.

Tucker, a 6 foot, 7 native of Paris, Ky., is the only senior on the first team. The 21-year-old ace has contributed 1,047 points to the Duquesne cause in the past three years. He netted more than 330 this year. Green is a 20-year-old sophomore from Brooklyn, N. Y., and looms as the most promising youngster in the state. He stands 6 feet 3, is a top rebounder, a 13.1 average scorer and a tremendous driver. Ricketts, from Pottstown, Pa., has played in 81 consecutive games since coming to Duquesne as a 17-year-old freshman and immediately making the varsity. He averaged 16 points per game this season.

Arnelle owns all Penn State scoring records. This 20-year-old New Rochester, N. Y., all round athlete has made more than 400 points in each of his three varsity seasons. A junior, he has another year of eligibility as a basketball player and a football end. The tall, talented New Yorker has paced State into NCAA tournament for the second time in three years.

Lovett made the second all-state team for the third straight year, an unofficial record. Both the National Basketball Association and the AAU teams are interested in this 6 foot 8 scoring star from York. Stokes, a 20-year-old junior from Pittsburgh, also made the second team in 1953. He made 501 points in 23 games, an average of 23 per contest. Landa, 22-year-old junior, is rated the best "small" player in the state. He sparked Lebanon Valley to an NAIA tournament bid.

Villanova's Schafer, a 21-year-old junior of Philadelphia, was the state's most prolific scorer. He averaged 27.4 per game, fifth leading average in the nation. Blair, 6 feet 1½, of Pittsburgh, scored 626 points for Geneva, a 26 point norm for 24 games. Like Green, this 19-year-old is one of the state's future greats.

Miss Evelyn Asper and Mrs. Harry W. Badders will serve as hostesses for the monthly meeting of Alta Hummer Missionary Society of St. John's Lutheran Church this evening at 7:30 o'clock at the church. Mrs. Badders will give the March book report. The quarterly thank offering will be received.

The former L. G. Stavely property at 21-23 E. King St. was sold at public sale for $10,700 to Dr. J. R. Riden. J. Arthur Boyd was the auctioneer.

Polite Police Tickets Welcome City Guests

SUPERIOR, Wis. (AP) — When out-of-state visitors get a police ticket for meter violations in Superior, it makes them glow — but not from embarrassment.

Here is what the ticket informs the visitor:

"We are pleased to welcome you to our city. We hope you will come often. Don't worry about the policemen. They will treat you with courtesy and will be glad to assist you in every way to make your visit a pleasant one. You are not expected to observe the one-hour parking rules."

A number of visitors have expressed their appreciation by writing thank-you notes to Chief of Police Arthur E. Buchanan.

What a flavor! What a woman!

Billy McGuire eats 33 pieces of bread and Mrs. Filbert's a week. What a stack! He just *loves* Mrs. Filbert's Margarine.

"My margarine is my own recipe. I make sure it always tastes fresh and sweet. *Your* kids will pile it on, too."
Mrs. M. V. Filbert, Pres.

● Fresh. Fresh. *Fresh.* So delicious folks say it tastes better—yes, *better!*—than the most expensive spread. "It's my own recipe," says Mrs. Filbert, "and I'm mighty fussy about it." So tender it spreads smooth even *ice-cold*—won't tear holes in freshest bread. 15,000 units of Vitamin A in every pound. And *what* a taste! Eat some today.

SCELBA TO PUSH RATIFICATION OF EDC TREATY

By JAMES M. LONG

ROME (AP)—Premier Mario Scelba's month-old government had the approval of Parliament today to push for a knockdown fight on ratification of the European Defense Community Treaty.

The Premier won a final parliamentary vote of confidence last night. In a stormy session, the 590-member Chamber of Deputies approved his program of mild social reform at home and continued ties with the West by a 17-vote margin.

Scelba pledged to rally his backers quickly for approval of the EDC pact, which would bring West German troops into a one-uniform army with Italy, France, Belgium, the Netherlands and Luxembourg.

Faces Domestic Issues

But it probably will be several weeks before he can clear the way through the maze of complicated domestic issues confronting his wobbly four-party coalition government to get final action on EDC.

With the thin majority the 52-year-old Christian Democrat Premier commands, it will not be easy to push through his domestic program. And the fight over EDC may be the toughest hurdle of all.

Plagued by the Communists and fellow-traveling Socialists on the left and the Monarchists and neo-Fascists of the right, Scelba managed to win a vote of confidence in his policies last night 300 to 283. The 334-member Senate gave him a bare five-vote margin of approval Feb. 26.

Curbs Crises

Confirmation by the deputies last night brought at least a temporary halt to the government crisis which has plagued Italy ever since the June 7 elections cut the props from under the pro-Western, center-of-the-road regime of Scelba's long-time mentor, Christian Democrat leader Alcide de Gasperi.

STOP CHANGE OF COAL TO OIL

WASHINGTON (AP)—Plans to convert three Philadelphia housing projects from coal to oil heating equipment have been halted by order of the White House, Rep. Fenton (R—Pa) reports.

The congressman announced the White House order yesterday and said as a result an investigation of the Philadelphia Housing Authority by the House Appropriations Committee has been called off. Fenton is a member of the committee.

Fenton, emphasizing that Philadelphia is one of the anthracite industry's prime markets, had complained that the conversion to oil heat would aggravate an already critical unemployment situation in the hard coal regions.

He also said that the conversion would place an additional cost on the taxpayers and would be "in direct conflict with orders issued by the Budget Bureau that no new public construction or installations are to be undertaken unless it can be shown they are 'absolutely essential.'"

HARRISBURG (AP) — Willard J. Birdsall of Honesdale is the new Wayne County treasurer succeeding Mrs. Ruth E. Spangenberg who resigned.

Birdsall's appointment to the post, effective Monday and to run until January 1956, was announced yesterday by the office of Gov. John S. Fine.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headaches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

words of "systematic balance interchange."

Dr. and Mrs. Russell write, philosophize, paint, sculpt, engage in scientific work "so advanced that you would not be able to comprehend it" and sell books and home study courses in an assortment of subjects to those who are interested.

Representatives of the nearby Waynesboro, Va., Chamber of Commerce and the wife of the publisher of the Waynesboro newspaper, Mrs. Lopis Spilman, had lunch with the local party there.

See Wilson Birthplace

The next 60-mile leg of the journey to New Market and Endless Caverns was broken by a 20-mintue stop in Staunton at the birthplace of Woodrow Wilson. The restored three-story white house, which once was the Presbyterian manse there when the President's father was preaching and teaching at Staunton, was staffed by representatives of the foundation that conducts the museum there.

The caravan arrived late in the afternoon at Endless Caverns, near New Market, and after being received by Carroll Moleny, the general manager, made a 1½-hour tour of the big cave whose long reaches have not yet been completely explored. It was the visitors' third cave in three days.

Then the local group were guests at a buffet supper at the Return Motel at the edge of New Market with a local representatives of travel interests as hosts. Hospitality and speech-making extended the stay there three hours past schedule and the trip for Winchester did not get underway until 8:30 p.m.

Urges Centennial Observance

Parker Nelson spoke for the Travel Council of Virginia; Mr. Moloney and members of the New Market group responded for their community and Charles B. Bender, former president of the Gettysburg Retail Merchants Association, introduced a number of individuals in the Gettysburg delegation. John D. Lippy Jr. performed a few magic tricks and there were more speeches —all on the theme of the "mutuality of the travel interests of Pennsylvania and Virginia."

Moloney reminded the Gettysburgians of plans being pressed by the National Association of Travel Organizations for commemoration of the 100th anniversary of the four years of the Civil War with a series of outstanding observances in the whole Civil War theater. He urged Pennsylvania cooperation on the plan which had been mentioned first on the eastern Virginia trip last fall.

At Winchester the 32 local travelers said good-byes to Nelson and Bus Driver Jimmy Allen who had been with them throughout the tour and boarded a Greyhound for Gettysburg. There was a stop for refreshments at Martinburg, W. Va.

quently for some months.

Wildasin said Slaybaugh's resignation will permit the new superintendent, to be elected at a meeting of the county school directors at the Court House April 13, to take office on May 1, if the new superintendent can arrange to began his duties at that time.

Slaybaugh's current term expires July 5. The county superintendent has been twice in that post. He served as county superintendent of schools from 1934 to 1937, when illness caused his retirement. He became county superintendent again in 1942 and has served since.

Two Slaybaugh assistants are candidates for the superintendency.

Raffensperger, Riegle, Keefer

Dr. Bream served as assistant county superintendent from 1942 to 1947. Charles I. Raffensperger, who succeeded Bream as assistant county superintendent, is also a candidate for the superintendency.

Other candidates who have announced so far include C. P. Keefer, New Oxford, guidance counsellor for the Upper Adams Joint system, and Edgar H. Riegle, a York County assistant superintendent of schools.

Dr. Bream, born near Gettysburg July 9, 1906, graduated from Gettysburg High School in 1924 and from Gettysburg College in 1929. He received his master of arts degree in secondary education from Columbia University in 1933 and his doctorate in curriculum and supervision from Pennsylvania State University in 1943.

Started Teaching In Freedom Twp.

His first teaching post was in a one-room school in Freedom Twp. in 1925. He also taught one year in the elementary grades at Littlestown before going to Teaneck Twp., N. J., where he taught first on both the junior and senior high school and then for seven years was head of the social studies department of the senior high school. For two years he served as assistant principal of the Teaneck Junior-Senior High School, then was named as director of curiculum for the entire Teaneck school system. On a part-time basis, during this period, he served as an associate professor of social sciences at night classes at Newark Junior College.

While assistant county superintendent here, he was associated with the beginnings of the jointure systems in the county, the establishment of the county Free Library, extension of nursing services to the schools, and a number of other changes that have come about in the school system of the county during the last decade.

Long Professional Record

He resigned his post as assistant county superintendent here to accept a position as associate professor of education at Lehigh University, Bethlehem. His duties there include teaching graduate courses, directing the adult education program of the school, directing summer workshops, advising graduate students on research projects and arranging the program of the Lehigh Valley Liberal Arts College Association and advising the Elementary Principals' Association of the Eastern Convention District.

He was on the staff of the Pennsylvania Workshop during the summers of 1952 and 1953 and is also now on the staff of the General Extension Division of the Pennsylvania State University.

Writing Books On Education

He is author of a number of books and articles on school activities and consumer education, and three others are now in the process of preparation. He is consultant for the Consumer Education Study of the National Education Association, chairman of the committee on consumer education of the Pennsylvania Department of Public Instruction, and has been a member since 1948 of the State Advisory committee on secondary education, of the State Department of Public Instruction. The committee is the steering group for the revision of the secondary curriculum in the Pennsylvania schools.

Dr. Bream and the former Elizabeth Grovestein of Cambridge, Mass., were married in 1935, and they were divorced last year in an action initiated by Mrs. Bream in Burlington County, N. J. They have a son, David, aged 17.

FRATS RESTORE

(Continued from Page 1)

torical Society for suggestions.

Jacob M. Sheads, of the historical society cemetery restoration committee, suggested renovation of one of the county's "forgotten" cemeteries. William Steinbach, "Help Week" chairman, and his committee decided on the Pine Bank Cemetery, founded in 1748 when a man named Livingston was buried accidentally. Livingston was scheduled for burial in another cemetery but when flood waters in Rock Creek prevented the funeral party from crossing the stream, the body was placed at what was to become the Pine Bank Cemetery site for later reburial at the originally planned burial spot. The plans were never carried out, others adopted the site as a burial ground and thus the "new" cemetery came into existence.

The fraternity men, who will be initiated this weekend, rounded up tools from various fraternity houses and set to work Tuesday afternoon, cutting down small trees and foot-high grass and weeds. Wednesday afternoon, the men finished the job of cleaning up the cemetery and put in place several stones which had been knocked down by the weather or by vandals. The project was under the supervision of IFC officers and Harry T. Stauffer, 20 East Middle St., treasurer of the historical society.

College Descendants

The fraternity men and the college were interested to find that several of the families who have plots at the cemetery had descendants in Gettysburg College.

Charles Black, 262 East Middle St., whose great-great-grandfather, a Revolutionary War veteran, is interred at Pine Bank, has two daughters who attended the college. Edna May, the youngest, graduated from Gettysburg in 1941. While in school she was a member of the Delta Gamma sorority, the choir and the May Court. She was also crowned Junior Prom Queen. The older daughter, Kathleen, went to Gettysburg only two years, coming in in 1935 as part of the first group of women to be admitted to the college.

The family of Clarence C. Smith, county commissioner's clerk, is buried in the old graveyard. Mr. Smith went to Gettysburg College in 1911 and 1912. Mary Durboraw, a descendant of the Durboraws in Pine Bank Cemetery, married George Laird of Dallastown, who graduated from Gettysburg in 1925.

(Isn't this why more people want—and buy—Chevrolets than any other car?)

What you want most Chevrolet gives you first

See how Chevrolet stays ahead of other low-priced cars in all the things that mean the most to you. See how much less Chevrolet costs you—it's the lowest-priced line of them all. Come on in and let us show you how you can have the things you want and be a good many dollars ahead with a new Chevrolet. That's promising a lot, but we welcome the chance to prove it!

OUT AHEAD with that bigger, lower look. Only Chevrolet and leading higher-priced cars have Body by Fisher with that big, smooth, low-slung look.

OUT AHEAD with zippy, thrifty Powerglide. It's the first and most advanced automatic transmission in the low-price field. Acceleration is instantly responsive and as smooth as silk. Optional on all models at extra cost.

OUT AHEAD with the highest-compression overhead valve engines. Chevrolet's great engines have the highest compression ratio of any leading low-priced car.

OUT AHEAD with bigger brakes. Chevrolet brakes are largest in the low-price field for smoother, safer stops!

SYMBOL OF SAVINGS — CHEVROLET — EMBLEM OF EXCELLENCE

OUT AHEAD with that smooth and solid big-car ride. Chevrolet's the only low-priced car with Unitized Knee-Action—one reason for its finer road-smoothing, road-hugging ride.

OUT AHEAD with automatic power controls. Chevrolet is the first low-priced car to bring you all the latest automatic power features and controls as extra-cost options.

GOP To 'Ease Out' Solon In Rebuttal To Stevenson

WASHINGTON (AP) — The Eisenhower administration may have decided to put a damper on Sen. McCarthy but obliquely and without the party-shattering effect which might come from a head-on, public break.

One of the most highly placed Republicans, with the understanding his name would not be used, has indicated administration strategy is "to get McCarthy out of the headlines and get our story across."

This may take some doing since the Wisconsin Republican has a sharp sense of news and news timing. For instance: if anyone cracks at him, he usually replies at once so the attack and the reply appear at the same time.

Against The Wall

But one thing is clear: last week he was riding high; this week he has run into a stone wall. Was this, in view of what the highly placed Republican said, the result of accident or method?

Last week President Eisenhower rebuked McCarthy for his tactics with witnesses, although without naming him. And McCarthy within one hour—an example of his fast timing—told Eisenhower in effect he'd handle witnesses as he saw fit.

Eisenhower has been criticized, particularly by Adlai Stevenson, for not taking a stronger stand on McCarthy. A stronger stand might have deflated McCarthy but it also might have angered him and split the party into factions.

Poise Undisturbed

By week's end McCarthy's energy, poise and power seemed undisturbed and undiminished. Then Saturday night in a Miami speech Stevenson criticized Eisenhower, his administration, and McCarthy.

Anyone could have guessed McCarthy would demand the networks give him equal radio-television time to reply. He did. But the Republican National Committee also demanded time for a reply to Stevenson.

The networks, which last fall gave McCarthy equal time to reply to former President Truman, said "No" to McCarthy and "Yes" to the Republican committee.

High administration sources say Eisenhower himself called Leonard Hall, Republican National Committee chairman, and suggested the committee ask for the air time. Hall did.

The President may not intentionally have been trying to forestall McCarthy but that was the result. McCarthy acknowledged the committee's right to time on the air but insisted he was due time also, because Stevenson criticized him.

He said the networks would give him the time or they'd learn what the law is. The law says candidates for public office be given "equal opportunities" on the air. But McCarthy is not now a candidate.

McCarthy said the rules of the Federal Communications Commission, the federal agency controlling the airwaves, "provide I must be given time to answer these charges."

The networks didn't budge. And Tuesday in New York, McCarthy refused to let NBC and CBS cameramen take pictures of him at a news conference.

FCC member Robert E. Lee said he thought it a square deal for the networks to give the Republican party time, instead of McCarthy, to reply to Stevenson.

"McCarthy's my friend," Lee said, "but in this case it seems I would have to say: 'Look, pal, it seems like a square deal to me . . .' "

"If that's the rule," McCarthy said, "the rule has got to be changed." He said he would hire lawyers to check whether he has a right to demand time from the networks.

Show's Ugly Duckling Answers Call To Fire

FAIRMONT, W. Va. (AP)—Half a million dollars worth of modern fire-fighting equipment was lined up for display, and photographers were taking pictures.

When the call that wooden paving blocks of a Fairmont bridge were on fire, spectators wondered which of the new trucks would answer the alarm.

A 1941 emergency car rattled away — carrying two sloshing buckets of water — and put out the blaze.

JACKSON, Tenn. (AP)—The police department, in removing several "obscene" magazines from the newstands, said one publication was especially offensive because it contained several pictures of a MAN "practically nude."

Gruenther Says Decision To Start War Rests With Yanks Because Of Posture Of Power

PHILADELPHIA (AP) — Gen. Alfred M. Gruenther, supreme Allied commander in Europe, expressed confidence last night that there will be no third world war because he now feels "we have it in our power to make that decision."

Gen. Gruenther told the final session of the eighth annual Philadelphia Bulletin Forum that the North Atlantic Treaty Organization countries have attained what he termed "a substantial posture of strength" in Europe. He said it is sufficient to provide a shield against "any hotheaded act."

He said the United States and Allied powers are not now in a position in Europe "to meet an all-out Russian attack if they should make a determined effort." But he added, "We do have a force in being now which is probably more than the Russians can handle with the forces that they have in occupied Europe."

Sees No War Now

"The statement I made last year that I feel World War III is not going to take place," he said, "I reiterate again with even more confidence because I feel that we have it in our power to make that decision."

NATO forces in Europe at the present include not only enough power to stop Russia's might in the satellite nations, he said, but U. S. air power is rapidly reaching maturity on an atomic basis.

Within the next three years, he said, "we will have the potential of launching atomic attack by long - range and short - range aircraft, by guided missiles, and by artillery."

The biggest threat, he added, is overconfidence—an overconfidence which overlooks the fact that Russia's military might is not standing still and that Russia's attitude has not changed.

"I think that the recent Berlin conference did a great deal to show," he said, "that the Russian attitude has not changed, that their long-range objectives are the same, and that the only new look is that Mr. Molotov was a little more polite, kissed a few more babies, but he said 'No' at exactly the same time he has always said it."

Harold E. Stassen, chief of the foreign Operations Administration, told the forum the United States has chosen the role of senior partner in a voluntary union of free peoples "with no military strings attached."

War On Poverty

Stassen said this new role was first voiced in President Eisenhower's offer to share U. S. atomic knowledge "for peaceful use."

This country now, Stassen said, is engaged in a "declared total war, not upon any human enemy, but upon the brute forces of poverty and need."

That program will be carried forward, he said, by providing technical cooperation, economic development and military support with any or all of the 58 nations with which we have reached an understanding.

2 CANDIDATES FILE PETITIONS FOR GOVERNOR

HARRISBURG (AP) — The names of two candidates for governor in the May primary are officially entered today while a third is due to be submitted Saturday.

Nomination petitions on behalf of Lt.-Gov. Lloyd H. Wood, Republican organization backed nominee for the job, were filed with the State Elections Bureau yesterday.

At the same time in Pittsburgh Dr. William D. McClelland, Allegheny County coroner, announced he personally will file petitions entering his name on the Democratic side.

The bureau also received yesterday petitions in behalf of Gordon F. Chamberlin, Paxinos R. 1. Northumberland County, a Republican newcomer to the political scene. He listed himself as a farmer and miner.

Wood's petitions were submitted by Russell S. Knife, Norristown, while the lieutenant-governor is vacationing in Florida. They contain 3,186 signatures from 27 counties. The legal minimum is 100 from each of five counties.

McCleland In Race

Dr. McClelland re-emphasized refusal to withdraw his candidacy in face of Democratic organization support for Sen. George M. Leader of York County. McClelland has been denied the support of John J. Kane, and Harry W. Fowler, Allegheny County commissioners, and Pittsburgh Mayor David L. Lawrence.

Another name entered the Democratic picture for governor yesterday when friends of Michael A. [illegible] Supreme Court Justice, said they are circulating petitions to place him in the Democratic primary.

Often mentioned as a possible candidate for governor, Musmanno declared some time ago that he is not seeking the nomination. His consent is required before the petitions can be formally filed.

Other nomination petitions received yesterday:

East Berlin

EAST BERLIN—Lester E. Kroft, near Spring Grove formerly of here, was involved in an accident during the past week on the Lincoln Highway near Thomasville, damaging his brother's car and that of a York man with whom the car collided. No one was injured. The car is owned by his brother, Lewis, this place. State police from York investigated.

Paul Lerew Jr. has been in the York Hospital for treatment of a ruptured spinal disc which had kept him confined to his home for several weeks.

Jonathan Andrew is the name chosen for the infant son born to Mr. and Mrs. Thomas Schade, Abbottstown R. 1.

Mrs. Luther Smith, R. 1, has been named as a nurse to care for the aged at Pleasant Acres, York County.

Mrs. Luther Smith, Abbottstown St., accompanied by her husband and son, Wayne and Mr. and Mrs. Elmer M. Gruver spent a day recently with the Herbert L. Heberlein family, Millersville.

Mrs. Augustine J. Tierney has returned home after concluding her second visit of the winter to her native city of Brooklyn, N. Y., where several members of her family have been ill.

Mr. and Mrs. Clyde C. Sowards, who have resided in New York City for business reasons, will return to "Knoll Acres," their R. 2 home, after March 15.

Sidney Alan is the name given to the two-week-old son of Jacob and Regina Cohen Sclar, Silver Spring, Md.

A son was born March 3 to Mr. and Mrs. Robert Bass, R. 2, at West Side Osteopathic Hospital, York. She was formerly Miss Linda M. Alwine, a daughter of Mr. and Mrs. Gurney Alwine.

Observance of the recent 64th wedding anniversary of Mr. and Mrs. Edward R. Reynolds was quiet this year because of the impaired health of Mr. Reynolds, a rheumatic victim, and because of the recent death of their son-in-law, Gettys Lane Montgomery, York. Flowers in the elderly couple's honor were placed in Trinity Lutheran Church here by their children, Mrs. Mary Reynolds Montgomery and Richard Reynolds, York, and Mrs. Warren Kellow, Easton.

Mrs. Guy Albright, Hampton, formerly of here, who recently recovered after a severe leg fracture two years ago, is again confined to her home and lame as the result of a seriously scalded limb from a pot of boiling coffee which spilled over her during the past week.

Harlan Harlacher, near Red Run, has been elected president of March's Community club of that area at a covered dish social conducted recently at the Davidsburg Hall.

New Oxford

NEW OXFORD—Mr. and Mrs. Cyril Rickrode entertained recently at a party at their home in honor of his father, J. F. Rickrode, Hagerstown, who marked his 80th birthday. A feature of the entertainment was the presentation to the guest of of honor of a 2½x4-ft. birthday card to which were attached a number of coins from his 32 descendants, children, grandchildren and great-grandchildren.

The Lions club will hold its annual carnival on the grounds of the John E. George pony farm, west of town Thursday, Friday and Saturday, July 15, 16 and 17, winding up with the pony show July 18.

Mr. and Mrs. William Linn recently became parents of a daughter, Teresa Elaine.

Lt. Ivan R. Mechtly has been transferred by the armed forces from Bath to Ft. Meade, Md. He is a son of a former local high school principal.

Mrs. LeRoy Rife entertained the local 500 club at her home Tuesday evening.

Mr. and Mrs. Russell Miller recently became parents of a son, their second child and first boy.

DEFENSE NEEDS ELEVATORS

READING, Pa. (AP)—This city has several lofty structures suitable fo a ground observers post from which to carry out the civil defense program. But the city corps has been inactive since it lost its last post when the building on which it was located was sold.

The city's other tall structures curtail their elevator service at 10 p.m.

INVITE NATIONS TO U. S. TO TALK AID PROGRAM

CARACAS, Venezuela (AP)—Cheered by an invitation to tell Latin America's economic troubles in Washington, the 10th Inter-American Conference doubled its work scheduled today to meet U.S. desires for a resolution promising joint action against Communist infiltration.

Chairman Guillermo Sevilla Sacasa, Nicaraguan foreign minister, said his Political Committee would hold two meetings a day until the Communist issue was settled.

Nine of the 19 Latin-American nations at the conference (Costa Rica has boycotted it) already have gone on record in support of the U.S. proposal to take action against any Red attempt to gain control of an American government. Mexico and Uruguay have urged that the U.S. plan include action against "any totalitarianism," but U.S. spokesmen feel this would scatter the fire of their anti-Communist attack.

U.S. Asst. Secretary of State Samuel C. Waugh brought cheers from most of the delegates when he invited them to meet in Washington to discuss their specific economic problems. Most republics south of the Rio Grande have been willing to go along with the U.S. anti-Communist position in general. But they have consistently demanded effective, prompt aid to bolster their mainly one-crop economies as one of the best ways to raise living standards and thus hamper the spread of communism.

A chief source of grievance among the United States' southern neighbors is the lack of parity between the prices they get for their raw materials and the prices they pay for U.S. manufactured goods.

No TB Waiting List First Time Since '10

HARTFORD, Conn. (AP) — Connecticut established its first tuberculosis sanatorium in 1910, but it was not until this year that the state tuberculosis commission was able to report no waiting list at any of the five sanatoria now maintained.

New treatment, which shortens the period of patient care, and more available beds account for the favorable situation.

JACK BENNY'S DAUGHTER IS WED TUESDAY

By BOB THOMAS

BEVERLY HILLS, Calif. (AP) — Joan Benny and Seth Baker embarked on a Hawaiian honeymoon Wednesday and her father, Jack Benny, was faced with an estimated $25,000 bill for one of the most fabulous weddings in Hollywood history.

Benny, wearing white tie, tails and glasses, Tuesday night led his 19-year-old adopted daughter through the flower-festooned Crystal Room of the Beverly Hills Hotel. "I'd rather not look so good and wear glasses than fall on my face," the comedian explained.

Rabbi Officiates

Benny gave Joan in marriage to Baker, 26-year-old New York stock broker and son of industrialist Harry Baker, before a crowd of stars of stage, TV and movies. Rabbi Edgar F. Magnin performed the double-ring ceremony and advised the couple to "forget about the tinsel of life and live for the good things."

Billed as a tightwad on his radio and TV programs, Benny spared no expense in the wedding. White lilacs were flown from Holland to add to the white and green motif that converted the Crystal Room into a spring garden. Designer Dor. Loper, who staged the affair, flew to France to arrange for an exclusive weave of brocaded white satin for the bride's gown. Thirty-five yards with lily of the valley figurings were used.

The wedding went off without a hitch. The principals faced news cameras before the ceremony and after. The bride's mother, Mary Livingston, who had arranged all the details, became impatient with the photographers and ordered the reception line to begin.

Benny played it straight throughout. He smiled weakly and made some attempts at humor, but he seemed obviously nervous with his role as the doting father. He even resisted the temptation to join the orchestra of 10 violins who serenaded the reception with "Love in Bloom."

Want to stretch a little chicken, turkey or ham for a luncheon dish? Then add it to the filling for stuffed baked potatoes after you chop it fine. Sprinkle the stuffed potato tops with grated cheese or paprika before reheating under the broiler or in the oven. Serve leafy spinach or green peas and scalloped tomatoes with the potatoes.
